MERRY
CHRISTMAS

1 Thomas More Street, London

WELCOME

Our Curated Christmas 2017

Thank you for your business in 2017. Against the odds – weak pound, Brexit brinksmanship, national self-harm season – in other words situation normal – C&B continues to have a really good year and with – at last – some lovely vintages to play with – the outlook is promising.

Some of you will have noticed that Christmas is quite close. This offer has everything you will need – our brilliant C&B own label range “Corney & Barrow’s Anti-Brand” as one journalist called it, Champagne, Claret, Burgundy, Port, the New World, the Old World, the Dream World, the Learning World, the Literary World, single bottles, big bottles, mixed cases, even wines to lay down for years ahead. Oh, and a special offer out of all these special offers on Delamotte le Mesnil-sur- Oger. Salon’s sister house and one of the all time great secrets of Champagne.

Happy Christmas everyone.

A Book and a Bottle

Novel pairings of books and bottles that are hard to resist.

We all love presents and annual subscriptions really are the gifts that keep on giving. We've teamed up with author, Salon host and The Sunday Times wine critic, Damian Barr, to create a monthly novel pairing of books and bottles.

Would Bridget Jones choose Chardonnay now? Which Champagne does James Bond prefer? How tipsy is Ulysses? Matching wine styles with book genres, Damian and our buying team have created delicious and sometimes surprising pairings and you can hear their deliberations through the accompanying online podcasts.

How to buy a gift subscription

Visit www.abookandabottle.co.uk to buy this unique subscription. Each month's pairing, a book and bottle, will be delivered to your door (or that of the lucky recipient).

Alternatively, you can purchase a gift card for the recipient to redeem their preferred choice of pairing online.

Read more on this partnership and see the full selection that Damian had to choose at www.corneyandbarrow.com/christmas
