# BURGUNDY 2024 AT C&B

Welcome to our season of Burgundy releases.

I am hugely excited about the 2024s, which are elegant and fresh. The cooler season has made for a traditional style that will appeal to Burgundy lovers seeking aroma, verve and fresh drinkability. The whites deliver chiselled citrus fruit with an impressive acid backbone — the best will rival the 2014s.

A wet spring and summer hit yields, particularly of Pinot Noir in the Côte de Nuits, where some growers lost 50–90% of their crop. By contrast, the hardier Chardonnay grapes saw near-normal volumes in places, albeit with notable exceptions in Chablis and parts of Puligny-Montrachet. Sustained spells of sunny, breezy weather in August and September kept the vines healthy and brought ripeness over the line.

The 2024s are much more than ‘cool vintage’ wines. Thanks to today’s knowhow, they are wines

of panache that have a place in every Burgundy collection. I hope that those of you who come to our Burgundy tastings in January will agree.

Although most wines in this offer are from the 2024 vintage, some producers release their wines a year later, so are offering the 2023s.

As you will see, many wines are available to order now. The wines of some domaines will be offered separately; please let us know if you would like us to contact you about these in due course.

The 2024 vintage is small, so don’t delay. Aside from the allocated wines, we will process orders on a first come first served basis.

Use the link below for our full vintage report. As ever, the C&B team are on hand to answer any questions.

## CHABLIS

Chablis is unmistakable for its distinctive profile — dry, flinty, mineral, steely — that sets it apart from the classic white Burgundies of the Côte d’Or.

This stylistic difference is perhaps unsurprising, given that the Chablis appellation is geographically separate. Located 130km northwest of Beaune, it is a scenic 1.5-hour drive through the craggy Massif du Morvan. In fact, Chablis might be considered closer to Champagne in terms of its climate and style.

Perhaps the largest contributing factor to the wine’s distinguishable characteristics is the soil type. Clay-limestone dating back to the Jurassic period, with undulating chalk, imparts the hallmark minerality.

The appellation comprises a four-level hierarchy: Petit Chablis, Chablis, Premier Cru and Grand Cru. Within the more prestigious categories, 47 individual plots have been identified and named. These *climats* can appear on the wine label to indicate the unique organoleptic qualities of the liquid inside.

FAQS

CONTACT

Vincent Dampt is the scion of two great winemaking names, Dampt and Defaix, so it is hardly surprising that he would choose wine as his *métier* — or perhaps it chose him! Vincent enrolled himself in wine school in Beaune aged just 14, then worked in Puligny-Montrachet (with Olivier Leflaive) before heading further afield to Marlborough, New Zealand — an experience he calls ‘mind-expanding’. Vincent later returned to Chablis, to the family estate in the hamlet of Milly, to work under the expert tutelage of his father Daniel.

In 2003, Vincent inherited a few small vineyard parcels in Milly, and was able to create his own domaine, adding a few further plots over the years. Vincent and his wife Émilie now manage ten hectares of vines, including those in the *premier crus* of Côte de Léchet, Les Lys and Vaillons: prized sites on pure Kimmeridgian soils — calcareous clays with limestone and marine fossils, held to give Chablis their hallmark minerality.

Rigour in the vineyard is paramount, while his wines are made using the purest juice and only the finest lees. The Dampt style is elegant and pure yet accessible, with the textural delicacy and classic crushed shell profile that define the appellation.

Corney & Barrow is the exclusive UK agent.

● **PETIT CHABLIS**  
2024 ★

Vincent’s Petit Chablis parcels lie high on the plateau above the village of Fyé, on the left bank of the river Serein. Here, altitude, exposure and weathered Portlandian clay soils combine to produce Petit Chablis with a palpable sense of place and poise. The cooler, cloudier 2024 vintage has yielded wines with definition and transparency: gentle citrus notes mingle with apple and pear, lifted by hedgerow scents of mayblossom and cow parsley, a whisper of wet earth beneath. Crisp, cleansing acids define the palate, brightened by crushed-shell freshness and a dry, refreshing finish that feels thoroughly Chablisien.

Corney & Barrow Score 16.5+  
Recommended drinking from 2026 – 2028

£170/CASE OF 12 BOTTLES, IN BOND UK

● **CHABLIS**  
2024 ★

One of our perennial best-sellers, Vincent’s Chablis remains a benchmark classic, drawn from vineyards situated primarily between the *premiers crus* of Vaillons and Côte de Léchet. Purity, minerality and typicity are once again the guiding principles, with the pedigree unmistakable. In the cooler 2024 vintage, the wine is finely etched and precise, offering oyster shell, lemon oil and a gently zesty profile. Silky yet incisive, it has a graceful, chiffon-like texture, underpinned by crisp acids and a long, clean line that speaks clearly of its origins.

Corney & Barrow Score 17+  
Recommended drinking from 2026 – 2028

£180/CASE OF 12 BOTTLES, IN BOND UK

● **CHABLIS 1ER CRU LES VAILLONS**  
2024 ★

Vincent Dampt farms 0.6 hectares in Vaillons, a *premier cru* formed of a patchwork of micro-*terroirs*, each lending subtle nuance. Beneath the classic Kimmeridgian limestone sits a generous clay subsoil, lending balance even in more challenging seasons. As ever, Vincent blends fruit from the sunnier Beugnons parcel with the cooler Chatains, near Les Lys, achieving a compelling equilibrium. The 2024 Vaillons is delicately perfumed with white flowers and wisteria, alluring yet restrained. Lithe and balletic on the palate, the wine is silky in texture, held with steely precision, its crushed-shell minerality carrying through to a cleansing, weightless finish.

Corney & Barrow Score 18.5  
Recommended drinking from 2026 – 2028

£265/CASE OF 12 BOTTLES, IN BOND UK

● **CHABLIS 1ER CRU CÔTE DE LÉCHET**  
2024 ★

High on the precipitous slopes of Côte de Léchet, Vincent Damp’s parcels are rooted in stony, nutrient-poor soils on gradients reaching 38%, conditions that naturally favour intensity and definition. With vines ranging from 1974 plantings to more recent, high-density plots, this is a terroir Vincent holds especially close. In the cooler 2024 vintage, Côte de Léchet reveals itself with smoky, stony aromas, layered with crushed shells and iodine. The palate is deep yet contained, the texture fine and chiffon-silk smooth, with impressive length and a sense of quiet, controlled power that unfurls with self-assurance.

Corney & Barrow Score 18.5  
Recommended drinking from 2026 – 2028

£265/CASE OF 12 BOTTLES, IN BOND UK

● **CHABLIS 1ER CRU LES LYS**  
2024 ★

A small parcel atop the tranquil slopes of the Vaillons hillside, Les Lys carries a sense of quiet distinction, often bottled separately to honour its individual character. Its fine Kimmeridgian clay-limestone soils and cool, north-easterly exposure are ideally suited to a vintage like 2024, accentuating finesse and purity. The wine opens with a latent fragrance of oyster shells and white blossom, subtle and elegant. The palate is poised and precise, walking the tightrope of soft chalk and cool stone, filigree-cut. Ethereal and cleansing, the finish lingers long, threaded with the fine chalk-dust minerality of its *terroir*.

# CÔTE DE NUITS

The northern half of the Côte d'Or escarpment, the Côte de Nuits stretches around 30km from Chenôve, on the southern limits of Dijon to Corgoloin, just before the hill of Corton.

Just 200-800m wide, this illustrious region covers 3,600 hectares. From north to south, it encompasses the principal villages of Gevrey-Chambertin, Morey-Saint-Denis, Chambolle-Musigny, Vougeot, Vosne-Romanée, Échézeaux and Nuits-Saint-Georges. The last of these bestows its name on the Côte itself.

The lower slopes of the Côte de Nuits are more fertile, whilst the higher reaches have sparser topsoil and offer less vine vigour. The sweet spot lies on the mid-slopes. Here, you can find an impressive number of *premiers crus*, and the majority of Burgundy's *grands crus*.

Renowned as the epicentre of Pinot Noir, this subregion produces some of the world's most sought-after reds in tiny quantities. Silky, complex and long-lived, they can command high prices with good reason. The whites are not to be overlooked, with a handful of producers making elegant, high-quality Chardonnay.

Simply put, the Côte de Nuits is home to some of the greatest wines in the world.

# GEVREY-CHAMBERTIN

For many, Gevrey-Chambertin needs little introduction. Home to some of the world's most iconic reds, it has been a source of prestigious Pinot Noir for centuries — in fact, Gevrey-Chambertin was believed to be Napoleon's favourite wine.

In 1847, Gevrey hyphenated its name to that of its finest vineyard, Chambertin, which was dubbed the 'king of wines and wine of kings' — a phrase that still resonates today.

Stretching across 410 hectares, from Brochon in the north to Morey-Saint-Denis in the south, it is the largest wine producing village within the Côte d'Or. It includes an astonishing nine *grands crus*, more than any other village, which are matched if not surpassed by a handful of *premiers crus*.

The complexity and variety of styles on offer here are owing to the diverse *terroir* and world-renowned winemakers.

# DOMAINE JOSEPH ROTY

This tiny estate in the heart of Gevrey-Chambertin makes wines of elegance and richness with an underlying understated power. These wines continue to fly under the radar — which suits their dedicated core of followers just fine...

Joseph Roty was succeeded by his son Philippe in 2008. Following his untimely death in 2015, Philippe's younger brother Pierre-Jean took over, representing the 11<sup>th</sup> generation. Pierre-Jean's sister Patricia, wife Gwendoline and mother are key members of this family team.

Based in the heart of Gevrey-Chambertin, their vines spread across 8.5 hectares in total. They create gorgeous wines ranging from regional Bourgogne to some of the greatest *grands crus*.

Domaine Joseph Roty releases its wines once they are bottled, so this year's release is of the **2023 vintage**. The vintage required severe sorting but the yield was excellent according to Pierre-Jean. He likens 2023 to the 2017 vintage, but “with the power turned up to 10”. The *premiers crus* saw 50-60% new oak, and 80% for the *grands crus*.

## ● BOURGOGNE CÔTE D’OR BLANC 2023

A Bourgogne Blanc with a difference, being 80% Pinot Blanc (planted in 1990) and 20% Chardonnay. It comes from parcels in Gevrey-Chambertin and Marsannay. Fleshy white peach and apricot aromas, leading into a stricter palate with a nice crunch. 18 months in oak, 10% new, including some *demi-muids*. Malolactic takes place in tank, with light *bâtonnage*.

Corney & Barrow Score 16.5  
Recommended drinking from 2026 – 2029

£130/CASE OF 6 BOTTLES, IN BOND UK

## ● MARSANNAY BLANC 2023

This comes from two parcels in Marsannay: Champs Saint-Étienne (from where Roty is the only domaine to produce a white) and Les Boivin. Zesty, crunchy and mineral, this offers bright white flowers and is full of energy. Wet stone minerality, then bitter and pithy on the finish. 20% new oak, with some larger *demi-muids*, with malolactic fermentation in tank.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£190/CASE OF 6 BOTTLES, IN BOND UK

## ● MARSANNAY ROSÉ 2023

50+ year old vines, with direct pressing and 100% destemmed. Strawberries and vanilla — this is a joy, offering sweetness and volume. Pierre-Jean Roty leaves the juice in the press for 45 minutes' extraction — the time it takes to fill the press. It is then extracted at 0.6 bar and fermented at 22-23°C in a stainless steel tank, with malolactic also in tank. It receives 16 months' ageing, of which 15 months are in one-to-two-year-old oak barrels. “Good with a pizza”, Pierre-Jean recommends, but other pairings are also possible.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2028

£95/CASE OF 6 BOTTLES, IN BOND UK

## ● COTEAUX BOURGUIGNONS 2023

The Coteaux Bourguignons appellation dates from 2011, replacing Bourgogne Grand Ordinaire. Although Gamay is permitted, this domaine's wine has always been 100% Pinot Noir. The vines are nearly 40 years old, a massal selection from family holdings. This parcel is just below the Gevrey-Chambertin boundary, planted by Pierre-Jean's father Joseph. This is all about the joyful Pinot Noir fruit, which here is juicy and tender, finding a crunch and definition on the end. *Élevage* in two-year-old oak barrels.

Corney & Barrow Score 16.5 - 17  
Recommended drinking from 2026 – 2029

£125/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● BOURGOGNE CÔTE D’OR ROUGE  
2023

Although labelled Bourgogne Rouge, this is declassified Marsannay. It comes from two free-draining, warm parcels, 40-60+ years of age: Champ Forey to the north and Leautier to the south. Brightly red-berried, crunchy and acid-driven, this is a classical style of Bourgogne Rouge, for early drinking. Great purity. No new oak.

Corney & Barrow Score 16.5+  
Recommended drinking from 2027 – 2031

£160/CASE OF 6 BOTTLES, IN BOND UK

● BOURGOGNE CÔTE D’OR  
CUVÉE DE PRESSONNIER  
2023

A nearly-Gevrey-Chambertin: this 1.5ha parcel was within the appellation boundary until 1964. It lies across the *Route Nationale* from Clos Prieur-Bas. The oldest vines here date from 1925, with the youngest having been planted in 2012. Darker and sweeter on the nose — richer and more ‘Gevrey’. The palate is inky dark and impressively intense, with real tannic presence and a nice serenity to the dark berry fruit. A serious wine, bravo. No new oak.

Corney & Barrow Score 17+  
Recommended drinking from 2027 – 2031

£165/CASE OF 6 BOTTLES, IN BOND UK

● CÔTE DE NUITS VILLAGE  
“LA CROIX VIOLETTE”  
2023

This is the second vintage of this new wine. La Croix Violette is spread over two plots, totalling 0.33 hectares in Brochon, just behind the Château de Brochon, which you can see from the domaine. These are 70-year-old vines. One plot is more clay-rich, while the other is on the limestone bedrock. This will be in the Fixin appellation from 2024. Rich, imposing raspberry coulis, which makes the balancing acidity work. Fabulous, with lushly fruit-coated tannins providing support. 60% new oak.

Corney & Barrow Score 17 - 17.5  
Recommended drinking from 2028 – 2032

£230/CASE OF 6 BOTTLES, IN BOND UK

● MARSANNAY ROUGE  
2023

This is a blend of five parcels, comprising the domaine's Marsannay *lieux-dits* other than Champs Saint-Étienne (see top right): Quartier, Ronsoy, Favières, Rosey (Charmes aux Prêtres) and Bas de Longeroies. The vines are 50 years old on average. It should become a *premier cru* once the long-awaited reclassification of Marsannay happens. Intense ruby colour. Bright raspberries and rhubarb on the nose, leading into a palate of crunchy red berries and savoury leafiness, framed by fine, currently-grippy tannins. The acidity is bright, almost piercing at this early stage. 40% new oak. 18 months in barrel.

Corney & Barrow Score 17  
Recommended drinking from 2027 – 2031

£185/CASE OF 6 BOTTLES, IN BOND UK

● MARSANNAY ROUGE CHAMPS  
SAINT-ÉTIENNE  
2023

The domaine has 18 *ouvrées* (around 0.75 hectares) of Marsannay, 14 *ouvrées* of which are planted with Pinot Noir. The vines are over 50 years old. This is a mid-slope site, consisting of two parcels. The Rotys are the only domaine to bottle Champs Saint-Étienne as a separate *cuvée*. Lovely bright raspberry and intense, plush wild strawberry fruit here, with that same crunchy, tensile line of acidity. Super wine. 50% new oak.

Corney & Barrow Score 17+  
Recommended drinking from 2028 – 2032

£215/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN  
2023

The domaine's Gevrey *village* is a blend of four parcels, accounting for just over a hectare in total. Dark berry aromas with blood orange zest, powdered cacao and cedary spice. The palate is supple and inviting on the entry, opening onto a mid-palate of seamless blackberry fruit framed by fine, chalky tannins. The transition from the previous wines to Gevrey is marked by an added finesse. 50% new oak.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 – 2038

£325/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● GEVREY-CHAMBERTIN CUVÉE LA JUSTICE

2023

These are free-draining sandy and loamy soils, in the centre of La Justice, which Pierre-Jean has worked with biodynamic preparations. 40-year-old vines. The first vintage was 2022. Pretty blueberry and violet aromas, leading into a palate of fresh blackberry fruit and dried spices. Light on its feet, nimble, with especially soft, melting tannins which Pierre-Jean attributes to the sandy, readily draining soils. Five barrels. 60% new oak.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2028 - 2038

£375/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN CHAMPS CHENYS

2023

This is a blend of five parcels across Champs Chenys, which is directly below Charmes-Chambertin. The oldest vines here were planted in 1934 and are ungrafted, on their own roots. Soaring violet and rose aromas. The palate has something of that weightless *aérien* quality, finding a pretty raspberry-fruited elegance on the mid-palate. Fennel seed, according to Joe Muller... Very good.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2030 - 2038

£375/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN CUVÉE DE LA BRUNELLE

2023

Planted by Pierre-Jean's father and grandfather in 1960, La Brunelle is directly behind the domaine buildings, a walled vineyard in the centre of the town of Gevrey-Chambertin. Alluvial, clay-rich soils. This is a tiny parcel of just four *ouvrées* (0.17ha). Dark berries, nutmeg and cedar on the nose, with an emerging aromatic finesse. The richly dark-fruited palate is pliant and cushioned, offset against a fine line of driving acidity. Dried spices on the finish. Joe Muller's excitement at tasting this prompted Pierre-Jean to rechristen it “*Cuvée* Bloody Good.”

Corney & Barrow Score 17.5 - 18+  
Recommended drinking from 2028 - 2040

£425/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN CLOS PRIEUR BAS

2023

Clos Prieur Bas is planted on similar soil to Charmes-Chambertin — clay and Bajocian limestone. Four *ouvrées* (0.17ha) — the same size as La Brunelle. The higher part of this vineyard, Clos Prieur Haut, is a *premier cru*. This lower section has deeper soils. Sweet, creamy dark berry aromas, leading into a palate of pliant, rich blackberry and raspberry fruit, with a frisson of chalky limestone minerality, framed by lavishly fruit-coated tannins. This finishes salty and precise. 60% new oak.

Corney & Barrow Score 18  
Recommended drinking from 2029 - 2037

£450/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN 1ER CRU LES FONTENYS

2023

This comes from the heart of Fontenys, which lies within a warm hollow. The domaine has half a hectare here, which is usually picked on the first day of harvest. The name Fontenys alludes to a ‘little fountain’ and the subterranean water sources. This is one of the estate's most complex *terroirs*, according to Pierre-Jean, with alluvial, limestone and clay soils. Sweetly, darkly fruited on the nose, this is immediately inviting — blackberries and cream. The palate has a core of dark, rocky minerality around which unwind flavours of bitter cherry, cassis and blackberry, lifted by poised acidity. Menthol and dried spices on the finish.

Corney & Barrow Score 18  
Recommended drinking from 2030 - 2042

£795/CASE OF 6 BOTTLES, IN BOND UK

● CHARMES-CHAMBERTIN GRAND CRU TRÈS VIEILLES VIGNES

2023

This is the oldest of the Roty holdings, originally planted in 1881 — ‘very’ old vines indeed — of which around half survived. It produces small *millerand* berries, which tend to be among the first picked, after La Brunelle. Some do not even have pips, according to Pierre-Jean. Dark berries and raspberry coulis on the nose, bright and ripe, with delicate dried violet aromas. The palate is almost painfully intense, yet so light on its feet at the same time — fresh and vivacious, with a punch of sweet red berry concentration.

Corney & Barrow Score 18.5+  
Recommended drinking from 2030 - 2042

£2,175/CASE OF 6 BOTTLES, IN BOND UK

● MAZY-CHAMBERTIN GRAND CRU

2023

Sometimes spelt ‘Mazis’, the Roty's holding in Mazy-Chambertin is adjacent to Domaine Dugat-Py's. A section of these vines was planted in 1919. Bright raspberry aromas — “this makes you smile”, as Joe Muller said. Fabulous purity here. This is a wine of small, intricate, sweet red berries which build in a crescendo of volume and flavour. The crest of the wave is something else... Filigree fine fruit definition which builds to “something serious”. In Pierre-Jean's words, “Mazy tends to be **massive**. *Juste comme il faut*.” 100% new oak.

Corney & Barrow Score 18.5  
Recommended drinking from 2030 - 2042

£2,350/CASE OF 6 BOTTLES, IN BOND UK

# DOMAINE ROSSIGNOL-TRAPET

The marriage of Jacques Rossignol and Mado Trapet unified two winemaking families — the Rossignols of Volnay and the Trapets of Gevrey-Chambertin. For many years, they worked together at Domaine Louis Trapet until their two sons, David and Nicolas Rossignol, returned from their studies. At this point, the Trapet family holdings were divided. Jacques and Mado established Domaine Rossignol-Trapet in 1990, subsequently handing over to David and Nicolas.

In 2005, conversion to biodynamic viticulture began, with organic and biodynamic certifications obtained in 2008. The cellar, which is partly subterranean, was built in 1983. A row of lights around the cellar walls indicates ground level. The water table lies almost immediately beneath it, ensuring a high level of natural humidity.

## ● BEAUNE 1ER CRU LES TEURONS 2024 🌙 🍷

This 1.2-hectare plot, planted in 1978, is on the high part of Teurons, close to the woods and beside Aux Cras. This is a stony, iron-rich red soil. The cliff at the top of the slope reflects the sun and, along with the trees, protects the vines, making for early ripening. Fine, dark, minerally aromas, leading into a palate of seamless blackberry fruit and supple, fine tannins, lifted by poised acidity. 10% new oak, 100% destemmed. This will be bottled at the end of January 2026, as usual.

Corney & Barrow Score 17+  
Recommended drinking from 2028 – 2035

£525/CASE OF 12 BOTTLES, IN BOND UK

## ● GEVREY-CHAMBERTIN VIEILLES VIGNES 2024 🌙 🍷

This is a selection from just over five hectares of 45–85-year-old vines, across eight different parcels, with light, gravelly soils. Spicy dark berry fruit and violet aromas. The palate is pure and refined, the just-so blackberry fruit framed by fine, fruit-coated tannins. 100% destemmed, 10% new oak. This is the domaine’s highest production *cuvée*.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2037

£490/CASE OF 12 BOTTLES, IN BOND UK

## ● GEVREY-CHAMBERTIN 1ER CRU CLOS PRIEUR 2024 🌙 🍷

This comes from a 0.25-hectare plot planted in 1986. Sometimes called a ‘baby Mazy’, it is just down the slope and across the road from Mazy-Chambertin. Refined dark berry aromas with beautiful exotic spices and black pepper. The palate is pure and focussed, the inky-dark berry flavours lifted by nicely pitched acidity. 100% destemmed, with 25% new oak.

Corney & Barrow Score 18  
Recommended drinking from 2028 – 2040

£595/CASE OF 6 BOTTLES, IN BOND UK

## ● GEVREY-CHAMBERTIN AUX ÉTELOIS 2024 🌙 🍷

Aux Ételois is a *lieu-dit* just beneath the *grands crus* Chapelle- and Griotte-Chambertin. The soils here are very stony. The name comes not from *étoile* but, less romantically, from the Latin for ‘hut’. Aromas of bright dark berry and blueberry fruit, with a little coffee bean, raspberry leaf and fresh mint. The palate is fresh and focussed, the cool blackberry fruit lifted by fresh acidity, with stony minerality, all framed by fine, compressed tannins. 100% destemmed, 10% new oak.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 – 2037

£360/CASE OF 6 BOTTLES, IN BOND UK

● **GEVREY-CHAMBERTIN 1ER CRU  
PETITE CHAPELLE**  
2024 🌙🍷

Petite Chapelle is just beneath Clos de Bèze. It has a 1.5-2m layer of topsoil with rich clay beneath. This is a half-hectare holding, straddling both *lieux-dits* of Petite Chapelle. Aromas of blackberry and a hint of raspberry compote. The palate is the most structured yet, the substantial berry fruit balanced against fresh acidity and framed by firm, chalky, fruit-coated tannins. 100% destemmed, with 25% new oak.

Corney & Barrow Score 18+  
Recommended drinking from 2028 – 2040

£595/CASE OF 6 BOTTLES, IN BOND UK

● **LATRICIÈRES-CHAMBERTIN  
GRAND CRU**  
2024 🌙🍷

One parcel here dates from the 1930s and another was planted after the 1956 frost. As expected, Latricières is the most aromatic of the *grands crus*, perhaps thanks to its breezier, more exposed aspect beside the Combe Grizard. One-metre-deep clay-limestone soils. A beguiling nose of dried rose petals, exotic spices and white pepper. The palate opens sappy and fine, beautifully inviting and aromatic, filling the mouth with perfume and elegant dark berry fruit. The tannins are lattice-like and perfume infused. An archetype of Latricières, fabulous. 100% destemmed, with 45% new oak.

Corney & Barrow Score 19  
Recommended drinking from 2029 – 2042

£1,245/CASE OF 6 BOTTLES, IN BOND UK

● **CHAPELLE-CHAMBERTIN GRAND CRU**  
2024 🌙🍷

The domaine's Chapelle-Chambertin comes from two parcels — En La Chapelle (planted in the 1960s) and Les Gêmeaux (planted in 1924). Both are warm sites, directly below Clos de Bèze, with just 50cm of soil above porous rock, into which the vine roots can penetrate. It ripens slightly earlier than the other *grands crus*. The warmer soils here tend to make for a more opulent wine. Aromas of dark berries and a toasty promise of richness. The palate is plushly dark-fruited, the billowing acidity lifting the flavours rather wonderfully, with effortless support from fine, fruit-coated tannins. More grip on the finish — this should age wonderfully. 100% destemmed, with 45% new oak.

Corney & Barrow Score 18.5  
Recommended drinking from 2029 – 2043

£1,245/CASE OF 6 BOTTLES, IN BOND UK

● **CHAMBERTIN GRAND CRU**  
2024 🌙🍷

The domaine's Chambertin is from two parcels in the centre of this great *terroir*, which traverse the vineyard from top to bottom, and are simply known as 'north' (a third) and 'south' (two-thirds). Sweetly dark-fruited aromas with nutmeg, dried leather and cedar. The palate is fabulously bright and energetic, with pops of cranberry and rose petal perfume rising from the seamless dark-fruited liquid. The tannins are the most regal of all, fine and chalky with a confident coating of perfumed fruit. 100% destemmed, with 45% new oak.

Corney & Barrow Score 18.5+  
Recommended drinking from 2030 – 2050

# DOMAINE DU COUVENT

Domaine du Couvent is situated in the heart of Nuits-Saint-Georges, within a century-old building that houses deep and cavernous cellars directly beneath. Encompassing ten hectares of vineyards spread across the Côte de Nuits, father and son team Philippe and Paul Chéron run the estate.

The domaine was formed by the union of Domaine des Varoilles and Domaine Misset-Chéron. The wines of Domaine des Varoilles, which now form part of the Couvent range, will be familiar to longstanding C&B customers. Domaine Misset-Chéron was established in the late 1930s by Philippe’s grandfather, Paul Misset, when he acquired a plot of Clos de Vougeot. Domaine des Varoilles was bought in 1964 by the Chéron family in conjunction with the Naigeon family, *vignerons* from Gevrey-Chambertin.

Today, Philippe and Paul approach their wines with passion, *terroir* expression, and respect for sustainability in the vineyards, producing wines that are pure, precise and full of personality.

As well as offering the wines in the UK, Corney & Barrow is the exclusive agent in Hong Kong, Singapore & China.

## MARSANNAY BLANC LES LONGEROIES 2024

This comes from a 0.35-hectare parcel. 2021 was the first vintage. East-facing vines are planted in long rows (250m), with a slight slope. The soils are a combination of pebbles, silt and Bresse marls. Aromas of pure white peach and apple skin, with pithy grapefruit. Fabulous purity on the palate, with bright, joyful freshness and high, integrated acidity. No crushing and no sulphur at pressing. This settles for 24 hours, is fermented in stainless steel tank and then racked into oak barrels for 18 months with no lees stirring. Lightly fined before bottling. Just 7hl/ha in 2024. One 500L barrel and the rest in stainless steel tank.

Corney & Barrow Score 17  
Recommended drinking from 2026 - 2029

£175/CASE OF 6 BOTTLES, IN BOND UK

## BOURGOGNE CÔTE D’OR PINOT NOIR “LES JUMELLES” 2024

This wine’s humble Bourgogne appellation belies its complexity. It comes from two small plots in Gevrey-Chambertin — Grands Champs and Prunier — totalling 0.32 hectares. Clay-rich soils make for naturally productive vines. Dark berry aromas, with herbal and exotic spices. The palate is “quite serious”, in Paul’s words — the tannins are fine but muscular, making for a wine of ageing potential. Five barrels, of the usual seven, one of which was new oak. 70% whole-bunch fermentation.

Corney & Barrow Score 17  
Recommended drinking from 2027 - 2031

£135/CASE OF 6 BOTTLES, IN BOND UK

## MARSANNAY ROUGE CLOS DU ROY 2024

The domaine has just 0.43 hectares here, in this admired Marsannay *lieu-dit* in the north of the appellation, which is 30ha in total. 2024 is the fourth vintage. The fruit comes from two plots: a lower elevation, flatter parcel rich in marls, and a steep, higher elevation site on sand-clay screes. Violets and dark berry aromas. The palate is spicy and blue hued, very pretty and with a fine tannic precision. A small proportion of whole clusters were used, unusually for this *cuvée*. Just two barrels were made. No new oak — one-year- and three-year-old barrels.

Corney & Barrow Score 17+  
Recommended drinking from 2028 - 2032

£175/CASE OF 6 BOTTLES, IN BOND UK

## GEVREY-CHAMBERTIN CLOS DE COUVENT MONOPOLE 2024

This comes from a 0.4-hectare plot within the garden of the ex-Varoilles domaine buildings in Gevrey-Chambertin, surrounded by a stone wall. The vines were planted in the 1980s. As Philippe says, there is a natural ripeness to this plot, requiring a hands-off approach — probably because the wall creates a micro-climate. He describes drawing out the elegance of the old vines and “looking to make something approachable in youth.” Supple raspberry fruit and gentle spices — this has a florality not often found in Gevrey. Pretty and delicate. Only pumping over, with no punch-downs. 100% destemmed. Five barrels in 2024.

Corney & Barrow Score 17  
Recommended drinking from 2026 - 2032

£280/CASE OF 6 BOTTLES, IN BOND UK

● **GEVREY-CHAMBERTIN CLOS DU MEIX DES OUCHES MONOPOLE**  
2024

This one-hectare vineyard is a *monopole*, owned in its entirety by the domaine. It has similar stony soils to the adjacent 1<sup>er</sup> Cru Champonnets, relatively deep and with gravel. Half the vines are over 60 years old, whilst the rest were planted in the 1990s. Philippe described this as “a joyous site and wine”. Aromas of blueberry, peony and fresh mint. The palate is sappy and linear on the entry, opening onto a tactile mid-palate whose fine berry fruit is framed by quite firm tannins. Good ageing potential. 50% whole-bunch fermentation. Eight barrels in 2024 — a decent volume. 15% new oak.

Corney & Barrow Score 17 - 17.5  
Recommended drinking from 2028 - 2034

£320/CASE OF 6 BOTTLES, IN BOND UK

● **GEVREY-CHAMBERTIN 1ER CRU CHAMPONNETS**  
2024

This is an even stonier site than neighbouring Clos du Meix des Ouches. There are two limestone-rich parcels here, one from the ex-Varoilles estate (planted in the '60s) and one from the historic Misset holdings (planted in the '90s), totalling 1.15ha, making Couvent the biggest producer in Champonnet. This is an extension of Ruchottes-Chambertin, just before the Combe de Lavaux. Complex soils, with varying topography. The vines are 30-60 years old. A flinty, darkly berried nose leads into a palate of supple, tender, ripe dark berry fruit and liquorice, with velvety tannins and fresh acidity. 100% destemmed. 11 barrels, two of which were new — the largest volume wine in 2024.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 - 2037

£385/CASE OF 6 BOTTLES, IN BOND UK

● **GEVREY-CHAMBERTIN 1ER CRU LA ROMANÉE MONOPOLE**  
2024

Gevrey-Chambertin's La Romanée is a *premier cru* high on the slope, beside the cooling breezes of the *Combe Lavaux*. It is named after the water source that runs below this vineyard. The domaine has one hectare of vines here, with an average age of over 60 years. Half of the plot was originally planted with Chardonnay, before being replaced with Pinot Noir in the '60s. It has 50cm of soil, with a gravel and limestone bedrock, making for a naturally low-yielding site. Pure, dark forest fruit aromas, with blueberry and damson. The palate is spherical and bright, darkly berried, with tactile limestone energy from the mid-palate through to the finish. Seven barrels, of which one was new. 100% destemmed.

Corney & Barrow Score 18  
Recommended drinking from 2028 - 2038

£465/CASE OF 6 BOTTLES, IN BOND UK

● **CHARMES-CHAMBERTIN GRAND CRU AUX MAZOYÈRES**  
2024

An old friend of C&B, this was the top wine of the former Domaine des Varoilles. Philippe has coaxed out its refined side, limiting new oak and extraction and adapting to the vintage. Domaine du Couvent has 0.38 hectares, situated on the calcareous soils of the upper part of Mazoyères-Chambertin, opposite Latricières. This was planted in the '50s and '70s. Ripe raspberry aromas, with a line of flinty cassis and blackberry. The palate is fine yet robust, textured and darkly berried, with dark peppery spice. 100% destemmed. Only two barrels were made of the usual five.

Corney & Barrow Score 17.5  
Recommended drinking from 2030 - 2042

£855/CASE OF 6 BOTTLES, IN BOND UK

● **CHAMBOLLE-MUSIGNY LES QUARANTES OUVRÉES**  
2024

Named after the size of its plots — 40 *ouvrées* or 1.77 hectares. This is from the historic Paul Misset estate, from 12 plots covering nine *climats*. Most of the vines are over 40 years old. Comdemennes, below Charmes, is the largest plot. A lovely red berry and rose petal nose, so pretty. The palate is sappy and fine, the dense raspberry fruit balanced by juicy acids, tapering towards a long, focussed finish. Paul described how the malic acid was higher than ever here, resulting in a “real malolactic”. 100% destemmed. Only seven barrels in 2024, of which one was new, compared to 20 barrels in 2023. 16hl/ha.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 - 2037

£320/CASE OF 6 BOTTLES, IN BOND UK

● **CHAMBOLLE-MUSIGNY CLOS DE L'ORME**  
2024

This is from a plot of eight *ouvrées* (0.36 hectares) within the larger *climat* of Clos de l'Orme and bordering the *premiers crus* sites Les Charmes, Aux Combottes and Aux Échanges. A gentle stony slope aids drainage. The vines were replanted at various stages, from the 1940s to the last decade (mostly 1950s). These are decomposed limestone alluvial soils. This is perfumed, offering crushed rose petals on the nose, then a tactile palate of bright raspberry fruit and fine, sappy spices. More structured than Les Quarantes Ouvrées, with greater ageing potential. Four barrels were made.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2028 - 2038

£330/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBOLLE-MUSIGNY 1ER CRU  
LES FEUSSELOTTES

2024

Made since the 2021 vintage. This 0.42-hectare site runs from the southern side of Chambolle-Musigny to the *premiers crus* Charmes, Les Grands Murs and Chatelots. The vines were planted in the 1970s. The name Feusselotte is derived from the word ‘Feusse’, or ‘hollow’, referencing the vineyard’s topography. The soils are shallow, with compact, rich Comblanchien limestone and marl. This was acquired from La Pousse d’Or, in exchange for some Charmes. Bright, saturated raspberry fruit and a juicy, fleshy aspect to the palate. Expressive fruit meets a tightly packed structure that needs time to meld. 100% destemmed. Seven barrels in 2024 — this was surprisingly generous, with large berries.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2038

£485/CASE OF 6 BOTTLES, IN BOND UK

● VOSNE-ROMANÉE LES BARREAUX

2024

Philippe and Paul have two plots, covering 0.75 hectares, in the *lieu-dit* Les Barreaux, which sits above Richebourg, Cros Parantoux, Aux Brûlées and Les Petits Monts, high on the slope. The vines are planted over a thin calcareous topsoil with over 60% limestone. Part of the vineyard is cooler, facing north, while the remainder faces east. A dark, perfumed nose, leading into a palate of pure, stark minerality, framed by fine, fruit-coated tannins. This is a serious, linear, defined Vosne of pristine perfume. 5.5 barrels in 2024, of which one was new (versus 17 barrels in 2023). 100% destemmed.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2029 – 2039

£345/CASE OF 6 BOTTLES, IN BOND UK

● NUITS-SAINT-GEORGES 1ER CRU  
AUX MURGERS

2024

The domaine’s smallest plot, at 0.24 hectares. Philippe thinks the proximity to Vosne-Romanée is seen in this *cuvée*’s elegance. Domaine du Couvent’s plot is mid-slope, planted with very old vines. Along with its Clos de Vougeot, these are the oldest vines of the estate. Sweet spices, exuberant and totally different from the rest of the range. Inky dark fruit and a sort of Châteauneuf-style density and sweetness. 100% whole-bunch fermentation. One-year-old barrels.

Corney & Barrow Score 17.5+  
Recommended drinking from 2029 – 2040

£425/CASE OF 6 BOTTLES, IN BOND UK

● CLOS VOUGEOT GRAND CRU  
“AUX ORIGINES”

2024

Domaine du Couvent has two plots in the Clos de Vougeot, planted in 1950. The smallest plot is in the lower part of the Clos (0.7ha, always destemmed) whilst the second, and largest (1.4ha), is close to Vosne-Romanée, near the holding of Liger-Belair. Philippe and Paul vinified two *cuvées*, from the top and the bottom. This is just the top part, which was 50% whole-bunch fermented. A very pretty rendition of Vougeot on the nose, leading into a palate of tactile dark berry fruit, with firm grip which will soften during *élevage*. Four barrels, of which one was new, so 25% new oak. Almost no press juice.

Corney & Barrow Score 17.5  
Recommended drinking from 2029 – 2040

£845/CASE OF 6 BOTTLES, IN BOND UK

# DOMAINE TRAPET

Family-run Domaine Trapet in Gevrey-Chambertin is thriving, with the next generation firmly in place, in the shape of Jean-Louis and Andrée Trapet's sons, Pierre and Louis.

The domaine's holdings are about as good as it gets in and around Gevrey-Chambertin. Delve below the *grands* and *premiers crus* to find the beating heart of this biodynamic estate: *village* Gevreys and Marsannays of luminescent fruit and soaring perfume.

The Trapet wines exude effortless elegance born of a labour-intensive approach. A growing proportion of the vines are trellised on single poles, known as *échalas*. 50,000 of these posts have been installed in recent years, at an average density of 12,500 vines per hectare. As Louis Trapet says, this method ensures nutrients are channelled into the berries rather than the leaves. You also tend to get 0.5% abv less alcohol with the *échalas*. Other onerous techniques include removing the central stem from each bunch to avoid extracting the more astringent phenolic components.

The wines of Domaine Trapet are released once bottled, meaning the 2023 vintage will be out in **early 2026**.

[View previous offers.](#)

# DOMAINE DUGAT-PY

The Dugat family have been growers in Gevrey-Chambertin since the early 17<sup>th</sup> century. Current incumbent Loïc Dugat represents the 13<sup>th</sup> generation and has reinvigorated the domaine's viticulture and cellar work.

The 15-hectare estate boasts what the labels term *très vieilles vignes* — the average vine age here is over 70 years, but some are well over a century. The historic cellar is the only remaining part of a 9<sup>th</sup> century abbey — gothic vaults and Byzantine style with an impressive six-metre height.

The domaine has been organic since 2008. Since his arrival, Loïc has also embarked on a renewed path of detail-focussed viticulture following the lunar cycle, and sensitive cellar management using very selective oak.

Corney & Barrow is the exclusive UK agent. The 2024 wines will be released in **late February 2026**.

## MOREY-SAINT-DENIS

The second-smallest village of the Côte de Nuits, Morey-Saint-Denis, is often overshadowed by its more famous neighbours: Gevrey-Chambertin to the north and Chambolle-Musigny to the south. Geologically, it shares similarities with both villages: a stratum of limestone runs through all three appellations.

Morey-Saint-Denis boasts four *grands crus*: Clos des Lambrays, Clos de la Roche, Clos Saint-Denis and Clos de Tart, with a fifth *grand cru* overlapping from Chambolle: Bonnes Mares.

The self-contained nature of this village is echoed in the abundance of walled vineyards — all adding to the charm and individuality of this place.

CONTACT

We have worked with Christophe Perrot-Minot since the 2016 vintage and are now proud to be his exclusive agent in the UK, Singapore and China. The domaine is based in Morey-Saint-Denis, although the range also covers Gevrey-Chambertin, Chambolle-Musigny, Vosne-Romanée and Nuits-Saint-Georges. The estate, which extends to 12.5 hectares, is an amalgam of two sources.

The original holdings, inherited from Christophe's maternal grandfather, were bolstered significantly by the acquisition of Domaine Pernin-Rossin in 2000.

Winemaking techniques include a degree of whole-bunch vinification, which brings fresh sapidity to the wines, whilst never dominating the flavour profile, allowing these great *terroirs* to shine through. New oak use is similarly moderate, with a maximum today of 20%. Christophe took charge of the domaine in 1993 and has progressively implemented stylistic changes in the pursuit of elegance and finesse.

● BOURGOGNE ROUGE  
2024 ★ 🌿

This is a blend of two sites: Chaponnières, in Morey-Saint-Denis and Gravattonnières, in Chambolle-Musigny. Bright raspberry and red cherry aromas. The palate is crunchy and fresh, sustained by bright acidity. 8-10% whole-bunch fermentation, which is the case for all the wines in 2024. A crisp-fruited early drinker.

Corney & Barrow Score 16.5 – 17  
Recommended drinking from 2026 – 2029

£225/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN  
VIEILLES VIGNES  
2024 ★ 🌿

The domaine's *village* Gevrey-Chambertin is made from 1.51 hectares of vines, which are 45 years old on average. 60% of this comes from Les Justices, in the north, and 40% from Les Seuvrées, in the extreme south — the last parcel in Gevrey. This is the wine previously known as Justice des Seuvrées, now shortened to Gevrey-Chambertin Vieilles Vignes for simplicity. Red and black berry fruits with dark peppery spices and a hint of cedar. A palate of reassuring density and firm, fruit-coated tannins.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2038

£750/CASE OF 6 BOTTLES, IN BOND UK

● CHAPELLE-CHAMBERTIN GRAND CRU  
2024 ★ 🌿

Chapelle-Chambertin, which takes its name from the old chapel of Nôtre-Dame de Bèze, lies below Clos de Bèze. This is made from two *lieux-dits*: Chapelle and Les Gêmeaux (the twins), whose vines are 70 years old on average, on permeable limestone boulders. A soaringly pretty, open nose of exotic spices and incense, with a line of smoky reduction. The palate is open and seductive, with fine, perfume-infused tannins. An intense wine, built for the long haul. Sample taken from a glass Wineglobe.

Corney & Barrow Score 18  
Recommended drinking from 2031 – 2043

£2,950/CASE OF 6 BOTTLES, IN BOND UK

● CHARMES-CHAMBERTIN GRAND CRU  
2024 ★ 🌿

This 0.80-hectare domaine-owned parcel of 50-year-old, particularly deep-rooted vines on rocky soils, lies at the highest point in the appellation, directly opposite the holding of Armand Rousseau. Intense aromas of sweet raspberry and red cherry fruit. The elegantly red-berried palate is framed by rather majestic, plushly fruit-coated tannins, and lifted by juicy acids.

Corney & Barrow Score 18  
Recommended drinking from 2028 – 2042

£2,875/CASE OF 6 BOTTLES, IN BOND UK

● MAZOYÈRES-CHAMBERTIN  
GRAND CRU

2024 ★ 🌿

This comes from one hectare, owned by the domaine since 1994 and located on the high part of the slope, 200m from the Charmes parcel. The vines are 56 years old on average. The soils are deeper — clay-limestone, mixed with chalky gravel. This tends to be fleshier and more voluminous than the Charmes. A wine to put a smile on your face, this is an aromatic delight, offering summer roses, exotic spices, raspberries and fresh mint. The palate opens silky and supple, delivering aroma without weight.

Corney & Barrow Score 18.5  
Recommended drinking from 2029 – 2042

£2,875/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBERTIN CLOS DE BÈZE  
GRAND CRU

2024 ★ 🌿

The domaine has access to more vines in Clos de Bèze than in Chambertin. The average vine age here is over 50 years old. Sweetly dark-fruited, with nutmeg and cedar notes rising from the glass. The palate is voluminous on the attack, quickly finding multifaceted dimensions of texture and perfume, swooping and diving, framed by velvety tannins. Complex and harmonious at once, this is a *tour de force*.

Corney & Barrow Score 18.5+  
Recommended drinking from 2030 – 2045

£6,995/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBERTIN GRAND CRU  
VIEILLES VIGNES

2024 ★ 🌿

Adjacent to Clos de Bèze on this majestic east-facing slope, Perrot-Minot's Chambertin comes from vines of over 50 years of age. Aromas of ripe cherries, plums and blueberries, with bags of spice and cinnamon. The sweetly, darkly fruited palate is ethereal, rising impressively above the vintage conditions. Intense raspberry and blackcurrant flavours, framed by fine, plush tannins, endure for a good minute or two after tasting. As my tasting colleague Rene said, this was his red wine of the week.

Corney & Barrow Score 18.5  
Recommended drinking from 2034 – 2045

£6,995/CASE OF 6 BOTTLES, IN BOND UK

● MOREY-SAINT-DENIS  
LA RUE DE VERGY

2024 ★ 🌿

La Rue de Vergy, named after a noble Burgundy family, is a 1.5-hectare strip of 40-year-old vines located above Clos de Tart, high on the slope where the soils are thin and stony. Aromas of pretty raspberry fruit and sappy spices. The palate offers billowing, almost ethereal raspberry and wild strawberry fruit. An upbeat wine of impressive tannic finesse.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2037

£750/CASE OF 6 BOTTLES, IN BOND UK

● MOREY-SAINT-DENIS 1ER CRU  
LA RIOTTE

2024 ★ 🌿

La Riotte, a *premier cru* made by just two other producers, lies on the opposite side of the village from La Rue de Vergy. The name may be derived from Ruotte, a little road. This is a half-hectare holding of 55-year-old vines. Bright raspberry and blackberry aromas, with fabulous freshness. The palate is luminous and darkly berried, framed by fine, chalky tannins.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2040

£1,100/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBOLLE-MUSIGNY  
VIEILLES VIGNES

2024 ★ 🌿

The domaine's only Chambolle *village* was previously called Orveaux des Bussières. Around half of it is from the upper slopes of Chambolle-Musigny 1<sup>er</sup> Cru La Combe d'Orveau; the lower section goes into Combe d'Orveau Cuvée Ultra (see the following page). The remainder is from 100-year-old vines in Les Bussières. The total area is just 0.85 hectares. Saturated aromas of raspberry, black cherry and plum, very pure, leading into a silky palate of fresh acids and fine, fruit-coated tannins.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2035

£900/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBOLLE-MUSIGNY 1ER CRU

2024 ★ 🌿

This comprises Les Charmes and Les Fuées in 2024, as there was not enough fruit to make both. Soaring raspberry and rose petal aromas, with fresh mint and exotic spices, backed up by zesty blood orange. The palate opens red-berried and sappy, delicately spiced and with an expansive, perfumed mid-palate which fills the mouth with aroma.

Corney & Barrow Score 18  
Recommended drinking from 2028 – 2035

£1,800/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBOLLE-MUSIGNY 1ER CRU  
LA COMBE D'ORVEAU  
VIEILLES VIGNES CUVÉE ULTRA

2024 ★ 🌿

‘Ultra’ here denotes very old vines and is an additional stamp of quality. The 80-year-old vines are adjacent to Musigny Grand Cru. This lower sector of Combe d’Orveau has finer, siltier soils which confer greater density, according to Christophe. Intense raspberry aromas, with a beautifully supple red-berried palate, which reveals filigree tannic texture on the finish. 100% in Wineglobe, the equivalent of one barrel.

Corney & Barrow Score 18.5  
Recommended drinking from 2029 – 2045

£2,875/CASE OF 6 BOTTLES, IN BOND UK

● VOSNE-ROMANÉE VIEILLES VIGNES

2024 ★ 🌿

The domaine’s Vosne–Romanée *village* bore the *cuvée* name Orme des Chalandins until the 2021 vintage, reflecting that it is a blend of Les Ormes and Les Chalandins, totalling around half a hectare of vines with an average age of 45 years. Intense aromas of red berries, roses and dark spices. The palate is lithe and fresh on the entry, opening onto a mid-palate of bright red cherry and tart raspberry fruit, framed by fine tannins.

Corney & Barrow Score 17 – 17.5+  
Recommended drinking from 2027 – 2039

£900/CASE OF 6 BOTTLES, IN BOND UK

● VOSNE-ROMANÉE CHAMPS PERDRIX

2024 ★ 🌿

This *lieu-dit* bottling is made from a stony 0.4-hectare plot just above La Grande Rue Grand Cru. Christophe has described this as “elegant and diva-like”. Fine and beguilingly pretty, this is a stricter, more chiselled incarnation in 2024, but there are irrepressible glimpses of its lifted side at the end. Just one Wineglobe (equivalent to a barrel in volume). I imagine this will emerge nicely, but it was slightly hidden when tasted in October 2025.

Corney & Barrow Score 17+  
Recommended drinking from 2028 – 2040

£1,225/CASE OF 6 BOTTLES, IN BOND UK

● NUITS-SAINT-GEORGES 1ER CRU  
LA RICHEMONE CUVÉE ULTRA

2024 ★ 🌿

The domaine has two hectares in La Richemone, by the Vosne–Romanée boundary. This *cuvée* retains the name ‘ultra’, in recognition of its very old vines, the survivors of which were planted in 1902 (the average vine age ranges from 65-80 years). It is “on the level of a *grand cru*”, as Christophe says. Darkly fruited and elegantly spiced on the nose — tea leaves and Chinese Five Spice. The palate is powerful and coiled, shiny and carapaced at present, with a polished, almost meaty intensity, framed by fine, chalky, fruit-coated tannins. Patience required here.

Corney & Barrow Score 18+  
Recommended drinking from 2030 – 2045

£2,950/CASE OF 6 BOTTLES, IN BOND UK

# DOMAINE DU CLOS DE TART

The walled vineyard of Clos de Tart is situated at the very heart of Morey-Saint-Denis. It represents one of four *grands crus* within the village and is a *monopole*, under sole ownership. Its sloping 7.53 hectares overlook the village. Created in 1141, Clos de Tart was owned by the Bernardines de Tart (an order of Cistercian nuns), the Marey-Monge family (post-French Revolution) and then the Mommessin family from 1932.

At the end of 2017, the Clos was acquired by François Pinault’s Artemis Domaines. Clos de Tart is one of only seven *grands crus monopoles* in France, five of which are in Burgundy (the other Burgundian vineyards being Romanée-Conti, La Tâche, La Romanée and La Grande Rue).

Corney & Barrow is the exclusive UK agent.

The wines of Clos de Tart are now released once bottled, meaning the 2023 vintage will be released in **spring 2026**.

## CHAMBOLLE-MUSIGNY

Snug against the limestone cliff faces and somewhat isolated from the rest of the Côte, there is something magical about Chambolle-Musigny. The red wines hailing from here offer rich and velvety elegance, combining soaring perfume and tannic structure.

Chambolle-Musigny has two *grands crus* vineyards, Musigny and Bonnes Mares, at the southern and northern extremes of the village respectively, and a *premier cru* worthy of being promoted: Les Amoureuses.

The east-facing slopes lie at 250-300 metres based on Jurassic limestone and benefit from excellent free-draining gravel soils descending towards the valley floor.

François Millet is considered a legend in the village of Chambolle-Musigny. He has made wine here since 1986, over 30 years of which were at Domaine Comte Georges de Vogüé.

He established François Millet et Fils with his wife Michelle and two sons, Julien and Adrien, in 2016. Grapes are bought from five or six domaines across the Côte d'Or and Côte Chalonnaise. Working closely with the growers, François monitors the vines throughout the year and agrees with each domaine when to harvest.

He categorises his wines as either ‘mineral’ or ‘structural’, using descriptors so considered and evocative that it brings their personalities to three-dimensional life. As these wines are from the **2023 vintage**, they are already bottled with expected shipment in early 2026.

Corney & Barrow is the exclusive agent in the UK, Hong Kong and Singapore.

● **BOURGOGNE ALIGOTÉ LES GRAVIERS**  
2023 ★

As François said about this wine, “The idea is to get away from the variety and closer to the place”. Les Graviers comes from vines adjacent to those of Les Rues (the Bourgogne Rouge), just opposite the village of Chambolle-Musigny. Apple skin and white flower aromas, with a crunchy palate of citric freshness.

Corney & Barrow Score 16.5+  
Recommended drinking from 2026 – 2029

£180/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE HAUTES-CÔTES DE BEAUNE BLANC EN VALLEROT**  
2023 ★

This comes from Nuits-Saint-Georges, on the high slopes near the woods. The name Les Vallerots comes from *Vallère* or, in ancient French, *Valière*, meaning a small valley or hollow. Aromas of pear skin with an exotic mango aspect, which François ascribes to this site’s indigenous yeasts. The palate is juicy and tactile, phenolic and peachy.

Corney & Barrow Score 16.5 – 17  
Recommended drinking from 2026 – 2031

£235/CASE OF 6 BOTTLES, IN BOND UK

● **SAINT-ROMAIN LA COMBE BAZIN**  
2023 ★

Combe Bazin is at the entry to the valley of Saint-Romain, before Sous Roche. This is both succulent and chalky, combining pineapple fruit of fabulous vibrancy, with mineral-driven personality. It retains freshness brilliantly, perhaps aided by the higher elevation here.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 – 2029

£345/CASE OF 6 BOTTLES, IN BOND UK

● **MARSANNAY BLANC LA CROIX DE BOIS**  
2023 ★

This comes from 0.3 hectares in the village of Batayard, in the commune of Couchey. This holding is planted with both Pinot Noir and Chardonnay. It is a mid-slope site, facing the *combe*. Very fresh and lively on the entry, combining sweet white pear fruit and yellow peach, with great viscosity. The finish is salty, with lingering pear skin flavours.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£295/CASE OF 6 BOTTLES, IN BOND UK

● **MONTAGNY 1ER CRU LES CHANIOTS**  
2023 ★

Yellow flower perfume, leading into a palate of bright pineapple and mango fruit, with succulent peach. The fruit is pretty exotic, but the core is chalky and mineral. A confident wine that is not afraid to show its personality.

Corney & Barrow Score 17+  
Recommended drinking from 2026 – 2029

£345/CASE OF 6 BOTTLES, IN BOND UK

● **CÔTES DU JURA BLANC**  
2022 ★

80% Chardonnay and 20% Savagnin. Bright aromas of apple and pear skin, with a lift — this is clearly not Burgundy! There is *pâtisserie* and white peach too, from the Chardonnay. The palate is stony mineral, super pure and with a bright, buoyant lift. Complex flavours of white peppery spice and a yeasty texture to the finish. A lovely change of pace. Please note that this new release is from the 2022 vintage.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 – 2031

£265/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● **BOURGOGNE ROUGE LES RUES**  
2023 ★

Les Rues sits at the bottom of the village of Chambolle-Musigny, on the other side of the *Route Nationale*. The stones are very important here, making for excellent drainage. “A sort of Petit Chambolle”, according to François. Pretty raspberry fruit and, yes, Chambolle-like aromas of roses. Blood orange and tangerine on the palate, balancing out the fleshy raspberry fruit from the heavy clay soils. Very good.

Corney & Barrow Score 17.5+  
Recommended drinking from 2026 - 2030

£230/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE HAUTES-CÔTES DE NUITS ROUGE**  
2023 ★

This is from Segrois, as is the Petite Vigne (the next wine). 95% is from Les Riottes (which means springs and has ready access to water), with a small amount of Beveys. Dark, juicy, bright and sensuous, with a mineral spine on the palate making for a long and driving finish. A real over-performer from this under-esteemed region.

Corney & Barrow Score 18  
Recommended drinking from 2026 - 2032

£220/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE HAUTES-CÔTES DE NUITS ROUGE PETITE VIGNE**  
2023 ★

Segrois is a tiny village of 60 inhabitants on the other side of the hills above Vosne-Romanée, on the *combe* side valley, facing west. Higher elevation. Darker and more intensely mineral than the regular *cuvée*, more floral and ethereal. A wine of ageing potential which may well outperform the previous wine in time. The last plot to be picked. Despite the afternoon sunshine here, there is 100m more elevation, making it 2-3°C cooler. In François’ words, this is a wine of “minerality and light”.

Corney & Barrow Score 17.5+  
Recommended drinking from 2026 - 2032

£220/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE HAUTES-CÔTES DE NUITS ROUGE LES MARTENNES**  
2023 ★

Like the previous two wines, this is from Segrois. There is another notch of additional structure and amplitude here and a darker-fruited profile. It is in these dark fruits that the structure is visible, says François, who calls this “The opposite of Petite Vigne.” Blueberries and blackberries on the back palate.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2026 - 2032

£220/CASE OF 6 BOTTLES, IN BOND UK

● **VOLNAY LES GRANDS POISOTS**  
2023 ★

Les Grands Poisots is at the northern (Pommard) end of Volnay, below Les Brouillards, at the bottom of the slope. Poisot, from the ancient French *Puisets/Puits*, refers to water sources and streams. Dark minerally aromas leading into a graceful, silky palate of cool, creamy dark berry fruit, with a bitter cherry lift, framed by fine, fruit-coated tannins.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 - 2033

£425/CASE OF 6 BOTTLES, IN BOND UK

● **VOLNAY 1ER CRU LES ANGLES**  
2023 ★

On the road into Volnay, this *premier cru* offers masses of black pepper whatever the vintage, with the structural stamp of Volnay. As François says, you have to be cautious with this place and its pronounced minerality — “you can make a monster”. There is a lot of active limestone in Les Angles. Expressive dark cherry and berry aromas. The palate is tender and limestone-rich, the fine chalky grip defining the textured, spicy raspberry and blackberry fruit.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2026 - 2036

£720/CASE OF 6 BOTTLES, IN BOND UK

● **FIXIN EN L'OLIVIER**  
2023 ★

Fixin, at the northern end of the Côte de Nuits, is a rising star in Burgundy, in part thanks to its vein of limestone, which is perhaps its main differentiating factor from the clay and marl of Marsannay. En l'Olivier, the name coming from olive tree, is at the same level on the slope as the two *premiers crus* of Fixin. Mint and clipped red cherry and raspberry fruit. Ripe, and then a bite of mineral grip. Or as François put it, “A flow of minerality — there’s something swift, like a river about this minerality.” Julien said, “This is structural and mineral, quite complete.” The grapes here tend to be thin-skinned.

Corney & Barrow Score 18  
Recommended drinking from 2026 - 2034

£295/CASE OF 6 BOTTLES, IN BOND UK

● **MARSANNAY LE POTET**  
2023 ★

Based in Couchey, this tiny *lieu-dit* was once a muddy, marshy place. ‘Potet’ evokes something humid and silty, I am told. These are Marsannay’s typically sandy marl soils. Expressive aromas of ripe raspberry fruit, with a promise of succulence. The palate opens cool and focussed, onto an intensely fruited mid-palate of red cherry and wild strawberry, which is bright and charming. A happy, joyful wine.

Corney & Barrow Score 17.5+  
Recommended drinking from 2026 - 2034

£295/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● BEAUNE 1ER CRU CHAMPS PIMONT  
2023 ★

This is a mid-slope site in Champs Pimont, above Les Avaux. There is a lot of limestone here. Greater ripeness and bright dark berry fruit — this is more on the structural side than the mineral, to use François’ terminology. For that reason, it was afforded one punch-down, which is rare here. Julien Millet commented that there is always a lot of freshness in this wine.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 - 2030

£525/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN CHAMP FRANC  
2023 ★

Champ Franc is new to the line-up this year. It is toward the northern end of the appellation, on the plain. These are deep, stony soils. Bright, intense dark berry and cherry fruit aromas, with spices and black pepper. The palate is very dark, almost sombre, but measured and tender. You can “almost eat the spices,” as François says. A sensual wine, and a great addition.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2027 - 2037

£550/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN LA JUSTICE  
2023 ★

A new wine in 2023, which will be a one-off, unfortunately. La Justice is beside the *combe*, in the north of the appellation. Dark, refined aromas of bitter cherry and blackberries, with a frisson of smoky reduction. The palate is pure, with an insistent richness and then a dark, stony minerality, silky and violet infused. Very elegant.

Corney & Barrow Score 18  
Recommended drinking from 2027 - 2037

£550/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN  
LA CROIX DES CHAMPS  
2023 ★

La Croix des Champs and the next wine, Le Fourneau, form a complementary pair, with diametrically opposed characters. Sappy spices lead into a palate of mineral richness with dense dark berry fruit. A complete, powerful and refined wine which, in François’ words, is “both structural and mineral — minerality is leading the path of vinification.”

Corney & Barrow Score 18+  
Recommended drinking from 2027 - 2037

£550/CASE OF 6 BOTTLES, IN BOND UK

● GEVREY-CHAMBERTIN LE FOURNEAU  
2023 ★

Le Fourneau (the furnace) is only 100m from La Croix des Champs, the previous wine. A more classical Gevrey-Chambertin, Le Fourneau gets one punch-down, two-thirds of the way through fermentation. Exuberant and direct, this is a wine of dark fruit and tangerine rind, lifted and playful.

Corney & Barrow Score 17.5+  
Recommended drinking from 2029 - 2039

£550/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBOLLE-MUSIGNY  
LES FOUCHÈRES  
2023 ★

To the north of Musigny and upslope from Les Amoureuses, Les Fouchères is close to the amphitheatre of Les Porlottes, the main component of Comte Georges de Vögue’s Chambolle *village*. This is *terroir* which François knows well, and you can sense his enthusiasm for this plot. An ethereal nose of raspberry and rose petals. The palate is fine and linear, packed with small, pretty flowers — roses and violets — with a persistent sappy drive, on which chalky minerality is revealed.

Corney & Barrow Score 18.5  
Recommended drinking from 2027 - 2037

£765/CASE OF 6 BOTTLES, IN BOND UK

## VOUGEOT

A small village in the Côte de Nuits producing Pinot Noir and small amounts of Chardonnay.

The most significant vineyard in Vougeot is the Grand Cru Clos de Vougeot — a 50-hectare enclosed plot that was originally planted by Cistercian monks. From the beginning, this special vineyard was noted for its varying *terroir*: the top contains light calcareous and gravelly soil over limestone, the middle section reveals softer limestone with clay and a smattering of gravel, while the bottom is almost flat and consists of poorly drained alluvial clay. The monks typically blended across these sites to make their wines, whereas today, Clos de Vougeot is fragmented between 80 or more owners, who make varying styles.

This *clos* isn't the only place to find excellent reds, however. Vougeot can be a source of extremely long-lived Pinot Noirs and excellent Chardonnays, which, in combination with deft winemaking and increasing use of stems, can also display great elegance. Perhaps here more than anywhere else in Burgundy, 'grower is everything'.

# CHATEAU DE LA TOUR

Château de la Tour was established in 1890 and owned by the Labet family. It is the largest property of the Clos de Vougeot, encompassing 5.5 hectares, representing 12% of the total appellation.

The family's holdings comprise essentially two parcels, one close to the château itself, with another smaller holding higher on the slope, bordering Les Échézeaux. The vines have an average age of 70 years, with a one-hectare plot planted in 1910 at their heart. Yields are controlled by 'rubbing out' every second bud to give a well-aerated canopy. The domaine has been organic since 1992.

Today, the estate is run by François Labet and his son Édouard. Their approach to winemaking includes whole clusters for Pinot Noir and early picking for Chardonnay. Immediate racking for reds once fermentation is complete is employed to avoid astringency in the juice.

In addition to Château de la Tour, François and Édouard own holdings in the Côte de Beaune. These wines are bottled under the label Domaine Pierre Labet. Winemaking takes place in their operational building in Beaune, but *élevage* is completed in Château de la Tour's cellars. For more details, see page 38.

Corney & Barrow is the exclusive UK and Singapore agent.

The 2024 vintage of Château de la Tour will be released **later in 2026**.

## VOSNE-ROMANÉE

Vosne-Romanée is arguably the pinnacle of the world's finest Pinot Noir. It includes six of the most renowned *grands crus* — La Romanée-Conti is the bull's-eye, surrounded by La Romanée, La Tâche, Richebourg, Romanée-Saint-Vivant, and La Grande Rue. The village is also home to the hallowed Domaine de la Romanée-Conti, yet, from the understated village square, there is little to suggest the greatness that lies on the slopes beyond.

The soils here are largely limestone mixed with clay marls, with an easterly exposure. The wines offer finesse but still retain the power and depth of character. This appellation is Pinot Noir only.

FAQS

CONTACT

Located in the wonderfully named *Rue du Temps Perdu*, Domaine de la Romanée-Conti is a Burgundy institution. The Domaine's co-directors are Bertrand de Villaine, nephew of Aubert de Villaine, and Perrine Fenal, daughter of Lalou Bize-Leroy.

There are nine *grands crus* vineyards. In addition, a Vosne-Romanée 1<sup>er</sup> Cru is released in some years, made from voluntarily declassified grapes. The red *grands crus* are Corton, Échézeaux, Grands Échézeaux, Romanée-Saint-Vivant, Richebourg and two 'monopoles', solely owned by the Domaine — La Tâche and Romanée-Conti. The white *grands crus* are Corton-Charlemagne and Montrachet.

Following the confiscation of the vineyards of the Prince de Conti during the French Revolution, the domaine was acquired by Monsieur Duvault-Bloch in 1869. La Tâche was bought in 1933. Romanée-Saint-Vivant was managed from 1966 and purchased outright in 1988. In addition to owning the vineyards of Romanée-Conti and La Tâche in their entirety, the domaine owns half of Richebourg, over half of Romanée-Saint-Vivant, a third of Grands Échézeaux and a seventh of Échézeaux.

Corton-Charlemagne was added to the line-up in the 2019 vintage. Made from vines leased from Domaine Bonneau du Martray, it sits alongside the red Corton, which has been produced since the 2009 vintage.

Corney & Barrow has been the Domaine's exclusive UK agent since 1991.

The 2023 vintage of Domaine de la Romanée-Conti will be released in **February 2026**.

## NUITS-SAINT-GEORGES

A small Burgundian market town with huge vinous significance, Nuits-Saint-Georges is the southernmost appellation of the Côte de Nuits. Home to the famous 'wine brotherhood', the *Confrérie des Chevaliers du Tastevin*, it is also the town from which the Côte de Nuits takes its name.

Covering a substantial 300 hectares of vines, Nuits-Saint-Georges has extremely varied soils and aspects. Perhaps surprisingly, there are no *grands crus* within this appellation, but it does boast an impressive 41 *premiers crus*.

Pinot Noir dominates here with three approximate divisions in wine style: in the north (nearing Vosne), the reds offer elegance with a hedonistic richness; in the heartland of the appellation, just south of the town, the wines are full, with depth of colour and tannic structure; the furthest south, you can find the lighter and more delicate styles. There are just seven hectares dedicated to white wine production.

# DOMAINE DE L'ARLOT

Domaine de l'Arlot is a 14-hectare property in the commune of Prémeaux, just south of the famed town of Nuits-Saint-Georges.

At the end of the 18<sup>th</sup> century, Jean-Charles Vienot inherited a domaine in the small village of Prémeaux, handed down through a long line of his ancestors. During his time here, Jean-Charles built a wall around the property and its vines, creating what would become Clos de l'Arlot, which today is a Nuits-Saint-Georges *premier cru*.

AXA Millésimes, the wine division of the insurance company, has owned the domaine since 1987. Since 2014, the wines have been made by Technical Director Géraldine Godot.

● **NUITS-SAINT-GEORGES BLANC 1ER CRU CLOS DE L'ARLOT MONOPOLE**  
2024 🌙 🍷

There are two hectares of Chardonnay planted in Clos de l'Arlot, the domaine's iconic, steeply sloping amphitheatre. The pink Prémeaux limestone contributes to this wine's exuberant, broad, long-ageing character. White peach and candied citrus fruit aromas lead into a crunchy, phenolic palate of lemony acidity and sherbet. Bright and clipped with a zesty, white flower finish. Tasted from tank, where it had been since the end of August 2024, before bentonite fining and filtration. Bottled at the end of December 2025. The yield here was a tiny 13hl/ha.

Corney & Barrow Score 17+  
Recommended drinking from 2026 – 2030

£595/CASE OF 6 BOTTLES, IN BOND UK

● **CÔTE DE NUITS-VILLAGES CLOS DU CHAPEAU MONOPOLE**  
2024 🌙 🍷

Clos du Chateau is a *monopole*, consisting of 1.5 hectares of vines in Comblanchien, on the plain. This is the southern end of the Côte de Nuits, whose quarries offer glimpses of the limestone beneath. Very pale ruby colour. Pretty aromas of peonies, violets and roses. The palate opens crunchy and precise, remaining puckeringly driven, lifting the flavours of fine raspberries. Tasted from bottle, Clos du Chateau having been bottled in August 2025, just before the harvest, as usual. Harvested on 19<sup>th</sup> September 2024, on the second of the four-day harvest. 100% destemmed.

Corney & Barrow Score 16.5+  
Recommended drinking from 2026 – 2031

£215/CASE OF 6 BOTTLES, IN BOND UK

● **NUITS-SAINT-GEORGES 1ER CRU CLOS DE L'ARLOT MONOPOLE**  
2024 🌙 🍷

Clos de l'Arlot is the emblematic vineyard of the estate, adjacent to the domaine buildings and just north of Domaine Mugnier's Clos de la Maréchale, in Prémeaux-Prissey. There are two hectares of Pinot Noir grapes here, alongside the two of white, planted on marl and free-draining pink limestone. In 2024, the yield here was just 10hl/ha, which included the grapes usually destined for Mont des Oiseaux, the younger vines *cuvée*. Aromas of cedary spices, violets and raspberries. The palate is dark-fruited and precise on the entry, with bracing acidity sustaining the pretty Pinot flavours, framed by fruit-coated, lattice-like tannins. 100% destemmed with 40% new oak. Just nine barrels were made.

Corney & Barrow Score 17  
Recommended drinking from 2027 – 2037

£530/CASE OF 6 BOTTLES, IN BOND UK

● **NUITS-SAINT-GEORGES 1ER CRU  
CLOS DES FORÊTS SAINT-GEORGES  
MONOPOLE**  
2024 🌙🍃

Clos des Forêts Saint-Georges is a 7.2-hectare *monopole*, owned entirely by Domaine de l'Arlot. Whilst Clos de l'Arlot is in Prémieux, this is the centre of the Nuits-Saint-Georges appellation, further north, with more clay-based soils. It tends to be more immediately expressive than the ephemeral style of Prémieux. Pale ruby colour. Initially shy in the glass, but with time, aromas of rose and dark spicy berries emerge. The palate has the recognisable structure and body of Clos des Forêts, the darker blueberry and Christmas cake flavours, all couched in a fine, very delicate tannic chassis. 100% destemmed. The yield here was a paltry 3hl/ha. Just nine barrels were made.

Corney & Barrow Score 17.5  
Recommended drinking from 2028 – 2039

£535/CASE OF 6 BOTTLES, IN BOND UK

● **VOSNE-ROMANÉE 1ER CRU  
LES SUCHOTS**  
2024 🌙🍃

The domaine has 0.85 hectares of Suchots, just opposite Domaine de la Romanée-Conti's plot of Richebourg. Taffeta-like rose and raspberry aromas, with cedary spices. The palate is discreet and fine, quite closed at present but slowly releasing aroma into the mouth, framed by fine tannins. The yield was 13hl/ha. Five barrels were made. 100% destemmed.

Corney & Barrow Score 17+  
Recommended drinking from 2028 – 2038

£995/CASE OF 6 BOTTLES, IN BOND UK

## CÔTE DE BEAUNE

Forming the southern half of the Côte d’Or, the Côte de Beaune is picturesque and feels more rural. Owing its name to the city of Beaune, it is almost twice the size of the Côte de Nuits, with around 6,000 hectares under vine.

The Côte de Beaune is home to Burgundy’s greatest white wine villages, including Corton-Charlemagne, Meursault, Puligny-Montrachet and Chassagne-Montrachet. Almost all of Burgundy’s white *grands crus* can be found here. This is home to some of the most exceptional Chardonnay in the world.

High quality Pinot Noir can also be found throughout the Côte de Beaune, particularly in Corton, Volnay, Pommard and Beaune.

The majority of *premiers* and *grands crus* vineyards sit at an elevation of 250-300 metres above sea level. Here, clay soils tend to enjoy stony topsoil which aids drainage. Towards the top of these slopes, a narrow band of regional appellation vineyards produces fine, lighter styles of wine, typically labelled as Bourgogne Hautes-Côtes de Beaune.

## BEAUNE

The vinous capital of Burgundy, Beaune, takes centre stage during the annual *Hospices de Beaune* wine auction. Confusingly, the city of Beaune shares its name with the large appellation surrounding it, as well as the wider Côte de Beaune. Historically, this area was dominated by large *négociant* houses, which are still based in the city today.

Red wine production dominates here, often stylistically lighter and supple compared to other Côte d'Or villages, owing to its sandier soils — these wines offer a great introduction to Burgundy and the opportunity to enjoy earlier-drinking reds. Beaune also has the good fortune to encompass an unusually high proportion of *premiers crus* vineyards, which make up nearly three-quarters of the appellation.

# DOMAINE PIERRE LABET

The Labet family holdings span both côtes. Their property Château de la Tour in Clos de Vougeot was established in 1890 and is today in the hands of François Labet and his son Édouard.

In addition, the father-and-son duo owns land in Beaune, Meursault and Gevrey-Chambertin. The origin of these family holdings dates back to the 15<sup>th</sup> century and focusses on Côte d'Or *premiers crus* and *village*-level selections. These wines are bottled under the name Domaine Pierre Labet.

With an operational base in Beaune, François Labet assumed estate management in 1984 and is recognised as one of the pioneers of organic viticulture in Burgundy. He has been the president of the *Vins de Bourgogne* Wine Board (BIVB) since 2015 and was awarded the *Légion d'honneur* in 2019 for nearly 40 years of service to the region.

The Labet family approach involves a high proportion of whole-bunch vinification of Pinot Noir, relatively early picking of Chardonnay and long *élevage* in barrel, which takes place in Château de la Tour's cellars. The highly regarded Sylvain Pataille is the family's longstanding consultant winemaker.

Corney & Barrow is the exclusive UK and Singapore agent.

## ● BOURGOGNE CHARDONNAY VIEILLES VIGNES

2024 ★ 🍷

The domaine's whites are acidity-focussed, the goal being to pick Chardonnay grapes with a sense of freshness. François and Édouard's Bourgogne Chardonnay comes from the Côte d'Or, from two plots in Chorey-Lès-Beaune and Beaune. A reductive nose leading into a palate of zesty citrus fruit, with good purity and chalky mineral texture, the fresh acidity working nicely beside the flinty minerality. Good focus to the finish. *Élevage* in large 350-litre barrels.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 – 2029

£230/CASE OF 6 BOTTLES, IN BOND UK

## ● SAVIGNY 1ER CRU LES VERGELESSES

2024 ★ 🍷

This comes from one plot of less than half a hectare, opposite the village of Pernand-Vergelesses, on the other side of the *combe*. It was replanted in 2019 using massal selection and drought-resistant rootstocks. These are therefore young vines, planted on limestone-rich marl soils, with iron and clay. Lime zest and stony minerality on the nose, leading into a flamboyant palate of aromatic white peach and jasmine, with some apricot and honeysuckle. You can feel these are young vines. Finishes nicely textured and focussed. Vinified and aged in a mixture of large 350- and 450-litre barrels.

Corney & Barrow Score 17  
Recommended drinking from 2027 – 2031

£355/CASE OF 6 BOTTLES, IN BOND UK

## ● BEAUNE BLANC CLOS DU DESSUS DES MARCONNETS

2024 ★ 🍷

This plot borders Savigny, at the beginning of the wooded Montagne de Beaune. Pure and waxy, with a juicy fleshiness of fruit, blanched almonds and pithy grapefruit. This will get 18 months' *élevage*, with half the volume in *foudre* and half in a mix of 350- and 450-litre barrels, 30% new oak, followed by four months in tank prior to bottling.

Corney & Barrow Score 16.5+  
Recommended drinking from 2027 – 2031

£325/CASE OF 6 BOTTLES, IN BOND UK

## ● MEURSAULT CLOS DES TILLET

2024 ★ 🍷

This was renamed Clos des Tillet from the 2022 vintage. Although Tillet sits in the middle of the commune, François describes it as “more Puligny than Meursault” in character. Les Tillet's white marl soils tend to result in admirably textured wines. Smoky mineral reduction on the nose, leading into a palate of textured, focussed white peach, waxy lemon rind and grapefruit, with white flower perfume persisting on the finish. Around three-quarters are fermented and aged in larger 350-litre barrels. 35% new oak.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2032

£365/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE PINOT NOIR  
VIEILLES VIGNES**

2024 ★ 🌿

François and Édouard’s Bourgogne Rouge is all about the lush Pinot fruit and delicate exotic spices of its 65% whole-bunch vinification. It comes from three clay-heavy plots in Chorey-lès-Beaune. Rose petal and violet aromas, leading into a palate of dark cherry and wild strawberry with peppery spices. Luminous and vibrant. 25% new oak.

Corney & Barrow Score 17  
Recommended drinking from 2027 – 2031

£230/CASE OF 6 BOTTLES, IN BOND UK

● **BEAUNE CLOS DU DESSUS  
DES MARCONNETS**

2024 ★ 🌿

Dessus des Marconnets is at the northern end of Beaune, on the border with Savigny, beneath the Montagne de Beaune. Darkly spiced, with beautiful raspberry aromas and a tender palate of buoyant red berry fruit. 30% whole-bunch fermentation. A third new oak. Half of this *cuvée* was aged in *foudre*.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2032

£325/CASE OF 6 BOTTLES, IN BOND UK

● **BEAUNE 1ER CRU  
CLOS DE COUCHERIAS**

2024 ★ 🌿

The Labets have two hectares in Coucherias, planted with both Pinot and Chardonnay. 1<sup>er</sup> Cru Coucherias is in the centre of the Beaune appellation, on the high slopes above Teurons, looking down on the city. It is a warm, south-facing site, just beneath the forest. Dark blackberry fruit initially, then wild strawberry, with a chalky mineral limestone bite on the palate. 30% new oak.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2028 – 2033

£365/CASE OF 6 BOTTLES, IN BOND UK

● **GEVREY-CHAMBERTIN  
VIEILLES VIGNES**

2024 ★ 🌿

*Vieilles vignes* here means well over 60 years of age. The domaine’s Gevrey *village* is made from three *lieux-dits*, which are co-vinified: La Justice (northeast), Les Crais (southeast) and La Jouise (southwest, just below Mazy-Chambertin), totalling just 0.6 hectares. Dark, spicy aromas, flavoursome and with blackberry perfume rising from the liquid. There is unexpected sweetness and density here. Stony minerality on the mid-palate.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2035

## PERNAND-VERGELESSES

Tucked away in the junction of two valleys in the Côte de Beaune, the village of Pernand-Vergelesses sits on the western slopes of the famous hill of Corton.

Both reds and whites are produced here. The majority of the vines are on east and south-facing slopes at 250–300 metres altitude. The lower slopes have clay-limestone soils mixed with flinty deposits known as ‘chaillots’. Mid-slope boasts pebbly limestone soils where Pinot Noir thrives, and the marl soils at the top are preferred by Chardonnay.

Although historically known for leaner styles of red wine, the best producers have never struggled to make elegant and refined Pinot Noir here. The most sought-after wines are the whites closer to the hill of Corton, where 17 of the total 58 hectares comprise the *grand cru* appellation Corton-Charlemagne.

# DOMAINE JEAN-BAPTISTE BOUDIER

Domaine Jean-Baptiste Boudier is a recent name in Pernand-Vergelesses, Jean-Baptiste having started in 2015, before taking over the family domaine completely in 2017. He has recently moved into a brand new winemaking facility, in a beautiful bucolic setting near the village.

This is a domaine on the up, the wines coming from 6.5 hectares of vines on and around the hill of Corton. Jean-Baptiste’s holdings are in Aloxe-Corton, Pernand-Vergelesses and Savigny-lès-Beaune. The range covers *village* and *premier cru* quality levels. Two *grands crus* top the line-up: a Corton-Renardes and a Corton-Charlemagne ‘Le Corton’.

Corney & Barrow is the domaine’s exclusive agent in Hong Kong and Singapore. We are also proud to offer the wines in the UK.

## ● PERNAND-VERGELESSES BLANC 2024 🌱 🍷

This plot is on the upper part of the slope, a cool site, with vines planted on white marl and limestone, which brings freshness to the wine. This is a blend of three plots: Vignes Blanches, Les Pins and Devant Les Cloux, totalling one hectare — one of the biggest holdings of the domaine. Apple skin aromas herald a crunchy palate of pear, white peach and citrus zest. A wine of admirable tension. Vinified in 350-litre barrels, with 10-15% new oak. Bottled at the end of July 2025.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2027 – 2030

£245/CASE OF 6 BOTTLES, IN BOND UK

## ● PERNAND-VERGELESSES 1ER CRU LES FICHOTS 2024 🌱 🍷

Les Fichots is a cool *terroir* whose clay-limestone soils contain some iron. It faces the hill of Corton to the east, sitting in its shadow, with exposure to the north wind. The berries therefore need more time to ripen, but the resulting wines are capable of great complexity and finesse. Darker, and with vibrant freshness and energy, this is a strident wine of focus and drive. It was the last to be harvested. All destemmed. 15-20% new oak. 13% abv.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2033

£265/CASE OF 6 BOTTLES, IN BOND UK

## ● SAVIGNY-LÈS-BEAUNE 2024 🌱 🍷

Jean-Baptiste acquired these vines in 2021. This *cuvée* is a blend of two plots: Ez Connardises (clay-limestone) and the *village* part of Les Peuillets. These are dry, well-drained sites, meaning there was less mildew pressure here in 2024. Juicy raspberry aromas, with a little orange rind. The palate offers forthright, concentrated red berry fruit, framed by confident tannins. 100% destemmed. Bottled at the end of July 2025, just before harvest. 15-20% new oak. 13% abv.

Corney & Barrow Score 17  
Recommended drinking from 2027 – 2031

£225/CASE OF 6 BOTTLES, IN BOND UK

● ALOXE-CORTON LES COMBES  
2024 🌙 🌿

This one-hectare vineyard is over 80 years old and faces south-southwest. Planted in 1942, these are the oldest vines of the domaine. This is a low-elevation, flat, elongated *climat* that starts under the *grand cru* Le Charlemagne, on the eastern side of the hill, running south, bordering the *grands crus* Corton Les Chaumes, Corton La Vigne au Saint and Corton Les Combes. On its other side are the *premiers crus* Les Guérets and Petits Vercots. These are deep, fine clay soils. A wine of vibrant raspberry fruit and citrus rind, lifted by fresh, taut acidity and supported by fine tannins. 15-20% new oak. 100% destemmed.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2032

£275/CASE OF 6 BOTTLES, IN BOND UK

● CORTON GRAND CRU LES RENARDES  
2024 🌙 🌿

This is a steeply sloping plot of nearly half a hectare, on the exposed eastern side of the hill of Corton, at the same level as Corton Clos du Roi and above Corton-Bressandes. The vines were planted in 1963 and are on particularly shallow soil. This is one row away from Lalou Bize’s Corton. Closed on the nose when tasted in autumn 2025, but the palate is juicy and dark-berried with spices, zesty acidity and fine, fruit-coated tannins. Bravo Jean-Baptiste. 15-20% new oak.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2028 – 2038

# CORTON & CORTON-CHARLEMAGNE

Corton is the only *grand cru* appellation in the Côte de Beaune devoted to red wine. Located on the hill of Corton and encircled by renowned winegrowing villages, its vineyards form a natural amphitheatre unlike any other in the Côte. Growers may affix the name of a specific *lieu-dit* (such as Corton-Bressandes or Corton Clos du Roi), or they can make a generic Corton from a blend of vineyards. There is also a tiny amount of white wine made here too, but only the red wines can hyphenate to include the name of their *climat*.

Corton-Charlemagne is reserved for *grand cru* whites. This appellation encompasses Le Charlemagne and En Charlemagne vineyards that sit in a narrow band around the top of the hill, descending to the western edge of the hillside. The vines grow on lighter, stonier soils, which are thought to impart a gunflint character to the wines.

## DOMAINE BONNEAU DU MARTRAY

Look at the hill of Corton from the south and you will, essentially, be looking at the Bonneau du Martray estate. With 11 hectares in one block located in the southwestern part of the hill in the *climats* En Charlemagne and Le Charlemagne, this is the largest single vineyard holding in Pernand-Vergelesses. It is the same piece of land which was given to the Abbey of Saulieu by Emperor Charlemagne in 775 AD.

In January 2017, Domaine Bonneau du Martray was acquired by U.S. businessman E. Stanley Kroenke, making him only the fifth owner in its 1200+ year history. Mr Kroenke's management team comprises Armand de Maigret and Thibault Jacquet, who spend their time between California — home of Screaming Eagle, The Hilt and Jonata estates — and Burgundy.

In November 2018, Bonneau du Martray leased 2.8 of the domaine's 9.5 hectares of Corton-Charlemagne to Domaine de la Romanée-Conti.

Domaine Bonneau du Martray makes just two wines, both *grand cru*: Charlemagne (white) and Corton (red).

Corney & Barrow is the exclusive UK agent.

The 2023 vintage wines of Domaine Bonneau du Martray will be released in **spring 2026**.

# SAVIGNY-LÈS-BEAUNE

Just north of Burgundy’s epicentre, Beaune, Savigny-lès-Beaune is celebrated for its intricate *terroir*. The hilly landscape offers a mosaic of soil types and microclimates, resulting in subtle distinctions in the wines made from specific *climats*. These vineyards have ancient lineage, having mostly belonged to the Dukes of Burgundy.

The village itself is divided by the River Rhoin. Vineyards south of the river, such as Les Peuillets, Les Narbantons, Les Rouvrettes and Les Marconnets, are on sandy soils and produce lighter-styled wines. On the northern side, towards Pernand-Vergelesses, plots such as Les Lavières and Les Vergelesses are on stonier soils.

Although the appellation produces both red and white wines, the majority of plantings are Pinot Noir.

CONTACT

Le Puy de l'Ours was established in 2019 by Juliette Puyperoux and Jean Orsoni in Savigny-lès-Beaune. Combining their surnames, they have created something that is both new and evokes a fantastical world of legend.

Jean's roots are in farming in Corsica, while Juliette's heritage is in Burgundy, where a small estate has been in her family for 200 years. Her grandparents continued winemaking until 2004, when they sold their business, but retained the vineyards and winemaking facilities which were rented out. In 2019, Juliette and Jean reclaimed this 3.5-hectare vineyard.

Their first vintage was the notoriously tricky 2021 and was tiny in volume. Since then, Juliette and Jean have expanded their vineyard holdings to the current 7.5 hectares.

Their approach to wine is clearly born of passion and humility with their love for the arts interwoven into every bottle. Their wine labels are inspired by art and literature.

2024 saw a crop loss of 40% overall, with an 80% reduction in reds. Commenting on the 2024 vintage, the couple noted, "What we didn't expect was having something very complete in terms of phenolic maturity". The whites, in particular, have this hallmark phenolic character coupled with acidity similar to the 2021 vintage. The completeness of these wines means they will be approachable in their youth.

Corney & Barrow is the exclusive UK and Hong Kong agent.

● CÔTE DE BEAUNE BLANC  
LES MONSNIÈRES

2024 ★ 🌿

Monsnières comes from 1.49 hectares of Chardonnay vines on the west-facing high slopes of the Montagne de Beaune, at 350m elevation. Half of these vines date from 1992 and the other half from 2015. Zesty orange blossom and honey aromas, with fresh mint leaves. The palate is crunchy and acid-driven, taut and nervy, with a tactile bite. This started its fermentation in stainless steel tank and finished in barrels, being racked after alcoholic fermentation was one-third complete. Full malolactic in barrel (50% *pièces* and 50% 300- to 400-litre barrels) and 11 months' ageing, with occasional *bâtonnage*. 20% new oak. No filtration.

Corney & Barrow Score 17+  
Recommended drinking from 2026 – 2029

£210/CASE OF 6 BOTTLES, IN BOND UK

● SAVIGNY-LÈS-BEAUNE BLANC  
LES GOUDELETTES

2024 ★ 🌿

Les Goudelettes is a 0.33-hectare plot in the hills to the north of the village of Savigny, planted in 1990. Vibrant yellow colour. Aromas of white flowers and blanched almonds. The palate is delectable and buoyant, offering white peach fruit sustained by a high line of lemony acidity. Full malolactic conversion in barrel followed by 12 months' ageing in 300-litre barrels with minimal stirring, then two months in tank before bottling. No new oak, no filtration, no fining.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£225/CASE OF 6 BOTTLES, IN BOND UK

● L'ABSURDE BLANC DE NOIRS

2024 ★ 🌿

This is a white wine made from 100% Pinot Noir grapes. Soil expert Claude Bourguignon advised that this white marl *terroir* would work well for whites. It comes from 0.24 hectares in Clos des Godeaux, the same vineyard as the first of the reds, planted in 1968. Aromas of nettles and white pepper, leading into a palate of grapefruit, fine white peach and pear fruit. Grapy, with tactile phenolics. Partial malolactic fermentation is followed by 10 months' ageing in old oak barrels, with occasional lees stirring. Only 300 bottles were made in 2024.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£170/CASE OF 6 BOTTLES, IN BOND UK

● SAVIGNY-LÈS-BEAUNE  
CLOS DES GODEAUX

2024 ★ 🌿

Planted in 1968, Clos des Godeaux comes from 1.61 hectares of south-facing vines, at around 300m elevation. Jean poured this saying, "it has more in common with 2022 than 2023." Aromas of roses and peonies, with fabulous purity. The palate is zesty, with pretty orange rind flavours delineating the bright red cherry and berry fruit. 100% destemmed. One light pump-over per day, with one punch-down at the end of fermentation. Aged in barrel (no new oak) for around 10 months, followed by 4-5 months in stainless steel, which tightens the flavours and increases the reductive bite. Love this. Bottled in November 2025.

Corney & Barrow Score 18  
Recommended drinking from 2026 – 2031

£215/CASE OF 6 BOTTLES, IN BOND UK

● SAVIGNY-LÈS-BEAUNE LES FOLLETTES  
2024 ★ 🌿

This comes from four plots in Savigny: Petits Picotins (55%), Grand Picotins (5-10%), Aux Fourches (30-35%), Saucours (5%). 0.78 hectares, planted between 1960 and 1979. In a sense, Les Follettes sits in the middle of the other two reds. Tasted from barrel in July 2025. Peppery and finely spiced, with aromas of iodine and grilled meats, opening onto a palate of dark, ripe berries lifted by fresh acids and supported by fine tannins. 50% whole-bunch fermentation. 20% new oak. 12.5% abv. This will be bottled in November 2025.

Corney & Barrow Score 17.5 – 18  
Recommended drinking from 2027 – 2033

£215/CASE OF 6 BOTTLES, IN BOND UK

● SAVIGNY-LÈS-BEAUNE 1ER CRU  
LES LAVIÈRES  
2024 ★ 🌿

2024 is the third vintage of Les Lavières, the domaine's only *premier cru* (so far). This 0.8-hectare holding is close to Serpentières. The 100% whole-bunch fermentation introduces an element of soaring exotic spices to the dark berry aromas. The palate is fresh and upbeat, the sweet raspberry and wild strawberry fruit framed by fine, crunchy tannins. Again, that line of brisk 2024 acidity makes for a clipped, bright, sustaining thread. 10% new oak. Bottled unfiltered in November 2025.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 – 2037

# POMMARD

A sibling to neighbouring Volnay, the red wines of Pommard are rich, age-worthy and deep in colour.

The complex soils are iron-rich, revealing a reddish hue, and contributing to brooding aromatics and tannic structure in the wines.

As early as the Middle Ages, Pommard was considered a wine to which all other Burgundian wines were compared. Now, it is arguably underrated. There are exciting wines to be discovered here.

# DOMAINE CYROT-BUTHIAU

Brothers Marc-Emmanuel and Olivier Cyrot are the fourth winemaking generation of this family domaine. They own six hectares of vines across Pommard, Volnay, Santenay and Maranges. The cellars of Domaine Cyrot-Buthiau are dug into the side of a rocky escarpment in Pommard, beside the *premier cru* Les Arvelets.

The family estate was established a century ago by Olivier and Marc-Emmanuel's great-grandfather, Paul-Joseph Cyrot, who learnt his craft as *régisseur* of the prestigious properties Château de Pommard and Clos de Tart. In the 1920s, Paul-Joseph acquired his first vines in Pommard, to which further parcels have been added over the generations.

Corney & Barrow is the exclusive UK and Singapore agent.

## POMMARD

### ● BOURGOGNE PINOT NOIR 2024 ★

Domaine Cyrot-Buthiau's Bourgogne Pinot Noir comes from various lower-lying sites in the village of Pommard. The soils here are deeper, composed of clay-rich marls. Brightly red fruited, with a crunchy red cherry vibrancy to the palate. Aged in old oak barrels.

Corney & Barrow Score 16.5  
Recommended drinking from 2026 – 2029

£115/CASE OF 6 BOTTLES, IN BOND UK

### ● MARANGES 1ER CRU CLOS ROUSSOTS 2024 ★

The domaine has half a hectare in Maranges, on the border with Santenay. Bright and steely, this is a wine for Burgundy lovers, crisp and brightly red cherried. A lovely expression of Pinot Noir, balanced and ephemeral, with pliant tannins providing gentle support. 25% new oak.

Corney & Barrow Score 17  
Recommended drinking from 2028 – 2032

£160/CASE OF 6 BOTTLES, IN BOND UK

### ● VOLNAY 2024 ★

This wine comes from five plots: Les Lurets, Cros Martin, Poisots, Les Famines and Les Paux Bois, totalling half a hectare and purchased between 1995 and 2010. A touch of cedary spice to the nose, with dark berry fruit and violet perfume. The palate is fine and delicately spiced, with pretty red berry aromas. Very Volnay. 20% new oak. This will be bottled at the end of January.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2028 – 2032

£240/CASE OF 6 BOTTLES, IN BOND UK

### ● POMMARD 2024 ★

Composed of 15 plots, the domaine's *village* Pommard comes from a total of three hectares. Fortright raspberry fruit aromas. The palate is juicy and generous on the attack, finding fresh acidity and focus on the mid-palate, with blood orange lift, all framed by supple tannins. 20% new oak.

Corney & Barrow Score 17+  
Recommended drinking from 2028 – 2031

£235/CASE OF 6 BOTTLES, IN BOND UK

### ● POMMARD 1ER CRU ARVELETS 2024 ★

The domaine has 0.5 hectares in the south-facing, sloping Les Arvelets, beside the domaine's *cuverie*. The red clay soils here deliver high ripeness levels. In 2003, an additional two plots were bought, one of which was replanted in 2015. Bright, dark berried aromas, with joyful ripeness. The palate offers sweet raspberry and blackberry fruit, with a plush fruit coating to the tannins. As Marc Cyrot says, in Pommard, the finesse is seen at *premier cru* level. Aged in 25% new oak barrels.

Corney & Barrow Score 17.5  
Recommended drinking from 2029 – 2033

£335/CASE OF 6 BOTTLES, IN BOND UK

## VOLNAY

Between Pommard and Meursault, the Pinot Noir outpost of Volnay can offer silky, seductive and ethereal wines. A relatively small commune with a grand reputation, more than half of the vineyards here have *premier cru* status.

The narrow and steep slopes consist of marl soils on a limestone bedrock. The vines merge into the single vineyard of Les Santenots within Meursault, and so being in white wine territory, reds here are labelled as Volnay Santenots.

# DOMAINE MARQUIS D'ANGERVILLE

Once part-owned by the Dukes of Burgundy, this domaine lies at the very heart of Volnay and is entwined with the history and identity of the village. Guillaume d'Angerville, the current Marquis, took over following the death of his father, Jacques, in 2003. The d'Angerville Pinot Noir clones are unique, producing particularly small, intensely flavoured grapes. These are long-lived Volnays of the very highest quality.

The domaine has 16.5 hectares of vines. Of these, 12.9ha are *premier cru*, accounting for 12% of Volnay's total 110ha *premier cru* vineyard.

Guillaume has recently been joined by the next generation, his daughter Margot.

The 2024 vintage of Domaine Marquis d'Angerville will be released in **March 2026**.

Corney & Barrow is the exclusive UK and Singapore agent.

[View previous offers.](#)

# DOMAINE MICHEL LAFARGE

A domaine that needs no introduction to Volnay fans. Biodynamic since 1996, this much-loved property is run by Frédéric and Chantal Lafarge, their daughters Clothilde and Éléonore, and their son Maxime-Henri.

Frédéric has been at the domaine since 1978, taking over fully following the death of his father, Michel Lafarge, in January 2020.

The Clos du Château des Ducs was bought in 1900 by Michel Lafarge's father. The first wines to be bottled at the domaine in 1934 included Clos des Chênes, the domaine's largest Volnay *premier cru* holding.

The 2024 vintage of Domaine Michel Lafarge will be released **later in 2026**.

FAQS

CONTACT

Siblings Sarah and Guillaume Glantenay took over from their father Pierre in the 2013 vintage. Guillaume makes the wines, whilst Sarah runs the sales and administration side.

Sat within the village of Volnay, this family-owned domaine encompasses eight hectares of vines spread over Volnay, Pommard and Chambolle-Musigny. Viticulture is *lutte raisonnée*. The soils are ploughed, whilst pesticides and herbicides are avoided.

Tracing its roots to the 17<sup>th</sup> century, the domaine was established by Pierre Glantenay who later entrusted it to his son, Georges. The Chambolle holdings were passed down from Sarah and Guillaume’s grandmother. Today, representing the fifth generation, Sarah and Guillaume have recently acquired 0.2ha in Pommard Les Cras, which now goes into the Pommard *village* bottling.

For the 2024 vintage, the whites had 15 months’ *élevage* and the reds had 18 months.

Corney & Barrow has been the domaine’s exclusive UK agent since the 2022 vintage, having worked with the wines since the 2017 vintage.

VOLNAY

● BOURGOGNE ALIGOTÉ VIEILLE VIGNE  
2024 ★

*Vieille Vigne* singular as it’s just one (tiny) vineyard. A 0.2-hectare plot of 59-year-old Aligoté Doré vines, planted at a density of 10,000 vines/ha. The plot is just on the other side of the *Route Nationale*, called En Juillet. This tends to be the last of the whites to be picked. A lovely crushed rock, silex nose, with a palate of wet stone minerality and lime rind. Guillaume describes it as “efficient” — it does exactly what you expect. Vinified in an old 1,200-litre *tonneau* and a smaller one.

Corney & Barrow Score 16.5  
Recommended drinking from 2026 – 2028

£170/CASE OF 12 BOTTLES, IN BOND UK

● BOURGOGNE CÔTE D’OR BLANC  
LAMEROSSES  
2024 ★

The domaine’s Bourgogne Blanc comes from three vineyards: two in Volnay and one in Meursault. It’s named after its Meursault parcel, Les Lameroses. Apple and pear fruit, with wet stone minerality and white flowers. The palate is juicy and vibrant, richer than the nose suggests. Easy in its own skin. Fermented in barrel and *foudre*, then aged on lees for 13 months.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£250/CASE OF 12 BOTTLES, IN BOND UK

● MEURSAULT LES SANTENOTS  
2024 ★

The domaine has a tiny 0.1-hectare plot of 15-year-old vines in Santenots, which spans both Meursault (in white) and Volnay (in red). Old school Meursault on the nose, with buttery richness when tasted in autumn 2025. The palate is leaner than expected, waxy and with a nice crunch to the mid-palate, finishing saline and focussed. This will benefit from time to meld. 75% new oak, with 15 months’ ageing in 500-litre barrels.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2033

£280/CASE OF 6 BOTTLES, IN BOND UK

● MONTHÉLIE 1ER CRU  
LES CHAMPS FULLIOT  
2024 ★

Sarah and Guillaume’s parents bought this 0.4-hectare plot in 2008, which was planted with Pinot Noir. It is located just above Santenots. After replanting it with Chardonnay, the first proper vintage was 2015. The nose is pleasingly unadorned, allowing the natural richness and aromatics to emerge. This is vibrant and saline on the palate, driving and with juicy acidity. Fermented and aged in 228- and 500-litre barrels, with 30% new oak — less than in the past.

Corney & Barrow Score 18  
Recommended drinking from 2027 – 2033

£255/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● **BOURGOGNE CÔTE D’OR PINOT NOIR  
MAISON DIEU**  
2024 ★

Around two-thirds Volnay and one-third Pommard, the domaine’s Bourgogne Rouge is a blend of 10 different vineyards. Bright raspberry and red cherry aromas. The palate is crunchy and pure, with a tapered, salty finish. This spends one month in stainless steel, then is racked into barrels. No new oak. Bottled in December 2025. 12.8% abv.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£205/CASE OF 12 BOTTLES, IN BOND UK

● **VOLNAY**  
2024 ★

This is made from eight different plots throughout the village. Together with the Vieilles Vignes (the next wine), there are 2ha of *village* Volnay at the domaine. The vines range from six to 60 years old. Wild strawberry and blackcurrant aromas. The palate is darker and more foresty than usual, offering *sous bois* and mushroom flavours. There is a small proportion of whole bunches for the first time this year. 20% new oak builds the body and adds a little cedary spice. A serious Volnay, which finishes salty and precise.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2026 – 2031

£195/CASE OF 6 BOTTLES, IN BOND UK

● **VOLNAY VIEILLES VIGNES**  
2024 ★

This is a selection of the oldest vines, ranging from 65 to 93 years of age, from four plots of the domaine’s two hectares of *village* Volnay: Les Buttes, La Gigotte, Les Combes and Les Petits Gamets. There are smaller grapes here, due to the old vines. Dark berries and bitter cherry on the nose. The palate is crunchy and bright on the attack, opening onto supple aromas of wild strawberry and spices, framed by fruit-coated tannins. 25% whole-bunch fermentation. 20% new oak. Only four barrels were made in 2024.

Corney & Barrow Score 17.5  
Recommended drinking from 2028 – 2032

£245/CASE OF 6 BOTTLES, IN BOND UK

● **VOLNAY 1ER CRU LE RONCERET**  
2024 ★

This is a stony 0.4-hectare plot of 65-year-old vines in the centre of the village, just below Champans. Half of the vines have recently come back into production. The first vintage was 2017. The name is thought to come from *ronce*, meaning blackberry. Ronceret is perhaps the most accessible of the *premiers crus* and tends to be one of the first vineyards picked. Fruity and aromatic — a nose of red berries and roses. The lacy palate allows the joyfully expressive raspberry fruit in full rein. Seven barrels were made in 2024, of the usual eight. 30% new oak. 100% destemmed.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 – 2039

£305/CASE OF 6 BOTTLES, IN BOND UK

● **VOLNAY 1ER CRU LA ROBARDELLE**  
2024 ★

Adjacent to Santenots, the domaine’s 0.35 hectare holding in La Robardelle is planted north-south, meaning the vines get sun exposure all day long when sufficiently de-leafed. 2024 is the fourth vintage of this wine, which had been leased by Sarah and Guillaume’s parents. Robardelle has deeper clay soils, contributing to what Sarah describes as this wine’s ‘unctuous’ character. Fresh mint on the nose with white pepper. The palate is sappy and saline, framed by intricate, lattice-like tannins. This will need more patience than Ronceret. 30% new oak, with a small amount of whole-bunch fermentation.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2039

£305/CASE OF 6 BOTTLES, IN BOND UK

● **VOLNAY 1ER CRU LES BROUILLARDS**  
2024 ★

The evocatively named Brouillards — fogs in French — is actually named after its first owner. At 1.10 hectares, it is the domaine’s largest *premier cru* and is something of a flagship. The vines were planted in 1948 and 1950. It is on the Pommard side of the village, to the north of Mitans and over the road from Les Angles. Black cherry, whole-bunch spices and fresh mint on the nose. The palate is powerful and assertive, offering dark berries framed by finely structured tannins. 50% new oak — the highest at the domaine. Eight barrels were made, versus 15-17 in a good year.

Corney & Barrow Score 17+  
Recommended drinking from 2030 – 2040

£330/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● VOLNAY 1ER CRU LES SANTENOTS  
2024 ★

The domaine has 0.30 hectares in Les Santenots Dessous, the most clay-heavy part of the vineyard, on the Volnay–Meursault border. The majority of these vines are over 60 years old, with a smaller section planted in 2010. The deep clay soils make for a generous style of wine. Raspberry compote and pretty exotic spices on the nose. The palate is sweetly red-fruited, pliant and expansive, with very fine, chalky, quite powerful tannins supporting. Patience required here. 30% new oak.

Corney & Barrow Score 17.5+  
Recommended drinking from 2030 – 2040

£345/CASE OF 6 BOTTLES, IN BOND UK

● POMMARD  
2024 ★

The domaine’s *village* Pommard is a blend of four plots, including Les Riottes, which is over 90 years old and the 26-year-old Les Cras, the newest addition. Shiny dark berries on the nose, leading into a raspberry-fruited palate, framed by chalky, fruit-coated tannins. Les Riottes represents 15% of the blend and was vinified as whole bunches, which comes through as dried herbs and exotic spices. 20% new oak.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2027 – 2032

£250/CASE OF 6 BOTTLES, IN BOND UK

● POMMARD 1ER CRU  
LES COMBES DESSUS  
2024 ★

The *premier cru* Combes Dessus is on the border of Pommard and Volnay. The domaine has 0.3 hectares here. This was one of the first *cuvées* reintroduced to the domaine in 2015 by Sarah and Guillaume. Pure, bright raspberry aromas with cacao and fresh mint. The palate opens with wonderfully expressive wild strawberry and juicy acidity, framed by a fine lattice of tannins. Very elegant. A third new oak — three barrels, of which one is new.

Corney & Barrow Score 17.5 – 18  
Recommended drinking from 2028 – 2040

£360/CASE OF 6 BOTTLES, IN BOND UK

● POMMARD 1ER CRU  
LES RUGIENS-HAUTS  
2024 ★

A steeply sloping 0.35-hectare plot, on the Volnay side of the village. Along with Épenots, Rugiens ranks among the best *terroirs* of Pommard; some feel it is worthy of *grand cru* status. The name Rugiens comes from ‘ferruginous’, reflecting its red, iron-rich soil. Toasty aromas, with exotic spices and dark berries — rather flamboyant on the nose. The palate is juicy and voluminous, offering fleshy raspberry flavours and new oak spices. Around 50% new oak was used, with 50% whole-bunch fermentation.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2029 – 2040

£495/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBOLLE-MUSIGNY  
2024 ★

We now move to the Côte de Nuits and Chambolle–Musigny. The 0.35ha holdings here come from Sarah’s paternal grandmother. This *village cuvée* is from three sites dotted throughout the village, offering an overview of Chambolle: Les Condemennes, Les Creux Baissants and Les Fremières. Pretty raspberry aromas, pure and soaring. The palate is crystalline, with rose petal spices and a little white pepper, framed by perfume-infused tannins. 20% new oak. I made a note to myself to buy this, but I will have to be quick: just three barrels were made, versus 7–8 in a normal year.

Corney & Barrow Score 18  
Recommended drinking from 2027 – 2038

£315/CASE OF 6 BOTTLES, IN BOND UK

● CHAMBOLLE-MUSIGNY 1ER CRU  
LES FEUSSELOTES  
2024 ★

Les Feusselottes sits in the middle of the appellation, just above Les Charmes. The first vintage made from this tiny 0.08-hectare plot was 2017. Darkly berried and cedary, this is a wine of impressive complexity which will age well over the mid-to-long term. Chalky tannins and crushed rock minerality. Just one barrel was made, 100% new oak from the Cadus cooperage. 100% whole-bunch fermentation in stainless steel vat, before racking into barrel.

Corney & Barrow Score 17.5 – 18  
Recommended drinking from 2029 – 2040

£720/CASE OF 6 BOTTLES, IN BOND UK

# MEURSAULT

Despite the absence of *grands crus* in Meursault, this village's *premiers crus* can rival the best from Puligny.

The village of Meursault lies between Volnay to the north and Puligny-Montrachet to the south. Producing whites that were once associated with an unctuous buttery style, Meursault at its best offers acidity and freshness, owing to its limestone-rich soils.

Although the vineyards are predominantly planted with Chardonnay, there is some excellent Pinot Noir to be found, most notably from Les Santenots, on the Volnay boundary.

# DOMAINE JACQUES PRIEUR

Domaine Jacques Prieur calls Meursault home, although its holdings comprise a roll call of great names stretching the length of both côtes. The late Jean-Pierre Labruyère acquired a majority share in the domaine from the Prieur family in 1988, and winemaker Nadine Gublin was appointed in 1990.

In 2008, Jean-Pierre Labruyère's son Édouard took over management of the domaine, as well as the other family estates. These include the original family estate, Domaine Labruyère in Moulin-à-Vent, Château Rouget in Pomerol and, since 2012, Champagne J.M. Labruyère in Verzenay.

The domaine suffered significant crop losses of Pinot Noir in 2024: 90% in the Côte de Nuits and 50% in the Côte de Beaune. Being certified organic added to the challenges of the vintage as the team were unable to combat against mildew. However, the fruit that survived was pristine, resulting in the DJP reds being amongst some of our top scoring wines of the vintage. Chardonnay was largely unaffected and proved a great success.

Corney & Barrow has been the domaine's exclusive UK agent since the 2013 vintage and in Hong Kong since 2022.

The 2024 vintage of Domaine Jacques Prieur will be released in **later in 2026**.

# DOMAINE MATROT

Domaine Matrot is a 24-hectare family-owned estate based in the centre of Meursault. Sisters Adèle and Elsa Matrot took over from their father, Thierry Matrot, in the 2016 vintage. Thierry had made the wines here for over three decades alongside the *Chef de Cave*, Gaël Fouré, who has run the cellar at the domaine for nearly as long.

With a history spanning six generations, the story of Domaine Matrot began with Simon Boillot, a winegrower in Meursault during the 1800s. His son, Claude Matrot, became a wine merchant who was captivated by the thought of owning his own vines and so in 1900, he purchased three *premiers crus* parcels on behalf of his family.

Each generation thereafter helped nurture the estate and acquire additional plots of vines — expanding from Meursault to incorporate Auxey-Duresses and Bourgogne Pinot Noir. Elsa joined her parents at the domaine in 2008, followed by Adèle in 2010.

## ● BOURGOGNE CHARDONNAY 2024

The core of this wine is from Meursault, where the domaine has four hectares. The rest comes from the family’s two hectares in the Hautes-Côtes de Beaune, near Maranges, with 10% from Chablis. Bright and focussed, this is a crisp, energetic wine of white flowers and crunchy apple. Fermented and aged in barrel, with 20% new oak. No *bâtonnage*. Bottled just before harvest.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£115/CASE OF 6 BOTTLES, IN BOND UK

## ● SAINT-ROMAIN 2024

The Matrot family makes around 10 barrels of Saint-Romain, the higher elevations safeguarding freshness. Aromas of cedary spice. On the palate, rich white peach fruit is sustained by taut citrussy acidity. Linear and taut, this will benefit from a little patience. 20% new oak. Bottled December 2025-January 2026.

Corney & Barrow Score 16.5+  
Recommended drinking from 2027 – 2031

£175/CASE OF 6 BOTTLES, IN BOND UK

## ● MEURSAULT 2024

The domaine’s *village* Meursault is a blend of 11 parcels from across the family holdings. The average vine age is nearly 40 years old. Hay and white peach on the nose, intense and exciting. The palate is textural and clipped, with fabulous power. This is a pick from the offer. 12 months of *élevage* in 1–5-year-old barrels.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2031

£280/CASE OF 6 BOTTLES, IN BOND UK

## ● MEURSAULT 1ER CRU BLAGNY 2024

This is from high on the slope, overlooking the great *premiers crus* of Meursault and Puligny, from la Piece sous le Bois, next to the Pinot plantings. The white soils here — limestone and light clay — contribute to a fine chalky texture, which is the signature of this wine. An exciting nose of intense white peach and a little reductive smokiness. The palate vibrates with energy, the stone fruit flavours driving through to a long, focussed finish. Vinified in 1–3-year-old barrels. Racked to stainless steel vat before the 2025 harvest, with bottling due in February or March 2026.

Corney & Barrow Score 17.5 – 18  
Recommended drinking from 2029 – 2034

£480/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● **PULIGNY-MONTRACHET 1ER CRU  
CHALUMEAUX**  
2024

This is a cooler *terroir*, with greater elevation, below Blagny, on the border of Puligny and Meursault. Fine white flowers, apple skin and white peach aromas. The palate is crunchy and taut, with lime rind and green apple skin on the entry, opening onto fleshier stone fruits. Great texture and bite on the back palate, finishing tactile and fresh.

Corney & Barrow Score 17.5+  
Recommended drinking from 2029 – 2034

£480/CASE OF 6 BOTTLES, IN BOND UK

● **PULIGNY-MONTRACHET 1ER CRU  
LES COMBETTES**  
2024

Tasted from barrel in October 2025. A little smoky reduction on the nose, which carries through onto the palate’s flinty attack. The palate opens powerfully and clenched, slowly unwinding onto a more extroverted mid-palate of yellow-hued ripe stone fruit. A wine for the longer term, which will age beautifully. Just four barrels have been made.

Corney & Barrow Score 18  
Recommended drinking from 2029 – 2034

£675/CASE OF 6 BOTTLES, IN BOND UK

● **MEURSAULT 1ER CRU CHARMES**  
2024

This comes from four sites, totalling just over one hectare. 80% is from the more mineral Charmes du Dessus (‘above’, i.e. upslope) and 20% from the broader Charmes du Dessous (‘below’). Again, there is a nice line of flinty reduction offsetting the more generous white peach, with a little yellow fruit appearing for the first time. The palate is juicy and ample on the entry, tightening up on the mid-palate, before finishing salty and granular. It spends 12 months in old oak and then 4-5 months in tank.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2033

£480/CASE OF 6 BOTTLES, IN BOND UK

● **MEURSAULT 1ER CRU PERRIÈRES**  
2024

The domaine has half a hectare here, in Perrières Dessous. This is a limestone-rich site, with huge blocks of limestone — it used to be a quarry. A little flinty reduction on the nose. The palate opens tight and inscrutable, revealing pliable stone fruit on the mid-palate. The stony, mineral essence of Perrières comes through on the finish. A wine of saltiness and *terroir*. As Elsa Matrot put it, “Perrières is quite shy.” Maybe, but it will blossom.

Corney & Barrow Score 18  
Recommended drinking from 2028 – 2033

£675/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE PINOT NOIR**  
2024

The domaine’s Bourgogne Pinot Noir comes from three parcels, two of which are in Puligny-Montrachet and one in Meursault. This gets five days of cold soak to bring out its pretty Pinot perfume. Briny dark berry fruit on the nose, with nice bright raspberry fruit to the crunchy palate. The reds at the domaine are all 100% destemmed. 10% new oak. 23 barrels were made in 2024.

Corney & Barrow Score 16.5  
Recommended drinking from 2026 – 2029

£125/CASE OF 6 BOTTLES, IN BOND UK

● **AUXEY-DURESSES**  
2024

The domaine’s Auxey comes from Les Heptures, close to Les Meix Chavaux, surrounded by the Meursault appellation. This is a cool, northwest-facing site, half a hectare in size. Cool black and red berry fruit on the nose. The palate is crunchy on the entry, opening onto a lithe, mid-weight palate of pretty raspberry fruit and rose petal perfume, framed by a little tannic bite. 10% new oak. As Elsa said, “To be honest, I could drink this for lunch!”

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2030

£155/CASE OF 6 BOTTLES, IN BOND UK

●

MEURSAULT ROUGE

2024

This has been one of our favourites for a few years now, a standout Pinot Noir from Meursault. As in recent vintages, it is supple and approachable with a lovely finesse and soaring aromatics. The raspberry-fruited palate is buoyed by juicy acidity. This is always one of the first sites to be picked. 40-year-old vines. 15% new oak.

Corney & Barrow Score 17+

Recommended drinking from 2027 – 2032

£195/CASE OF 6 BOTTLES, IN BOND UK

●

MARANGES 1ER CRU LA FUSSIÈRE

2024

The grapes for 1<sup>er</sup> Cru La Fussièrre are bought in (from Adèle Matrot's husband's Domaine Bachelet-Monnot). They are sourced from five hectares of vines. A bit more cedary spice on the nose here, with darker fruit. The palate is a step up in concentration and briny, shiny intensity, with some bitter cherries. As usual, these vines were harvested a week before those of the Maranges *village*, thanks to their natural ripeness. 15-20% new oak.

Corney & Barrow Score 17

Recommended drinking from 2028 – 2033

£175/CASE OF 6 BOTTLES, IN BOND UK

●

BLAGNY 1ER CRU  
LA PIÈCE SOUS LE BOIS

2024

An emblematic Côte de Beaune Pinot Noir, made from a plot just above Sous le Dos d'Âne (from where Domaine Leflaive's Meursault comes) and directly beneath the wood of Blagny — hence *sous le bois* (under the wood). Lovely Pinot aromas here: mint and exotic spices, with a little leather. The palate is supple and surprisingly red-fruited this year, with a winning delicacy and clarity of cranberry fruit. 100% destemmed. 20% new oak.

Corney & Barrow Score 17.5

Recommended drinking from 2027 – 2032

# DOMAINE PATRICK JAVILLIER

Family-owned Domaine Patrick Javillier is based in the heart of Meursault. Marion Javillier, daughter of Patrick, now runs the domaine, having gradually taken over from her father. The domaine owns parcels in Meursault, Puligny-Montrachet, Savigny-lès-Beaune, Aloxe-Corton and Pernand-Vergelesses.

After the war ended in 1945, Raymond Javillier decided to cultivate the two hectares of family vines. It wasn't until 1974 that the domaine really began to thrive, when Patrick took the reins from his father. During the 1980s and early 1990s, Patrick expanded the estate to its current ten hectares by acquiring new plots and with land from his wife's family.

In 2005, Marion joined her father and became responsible for the domaine's sales and red winemaking. In 2011, her brother-in-law, Pierre-Emmanuel Lamy, also joined the domaine, working in the vines and making the white wines. Together they represent the third generation.

The 2024 wines will undergo course filtration before they are bottled between November 2025 and February 2026.

## ● BOURGOGNE CÔTE D'OR CUVÉE DES FORGETS 2024

Named after the Rue des Forges, where the domaine is based, this comes from a number of parcels on the Volnay side of Meursault, on clay-rich soils which deliver density. Fleshy white peach fruit, finding some yellow hued richness on the mid-palate, with good purity, stony minerality and juicy, poised acidity. Around 20% new oak. This is the largest production wine at the estate — around 20,000 bottles have been made, which is about average.

Corney & Barrow Score 16.5+  
Recommended drinking from 2026 – 2029

£125/CASE OF 6 BOTTLES, IN BOND UK

## ● BOURGOGNE CÔTE D'OR CUVÉE OLIGOCÈNE 2024

This is named after the Oligocène geological epoch, from which these limestone-rich plots date. The vines are in Les Pellands, on the Puligny-Montrachet (southern) side of the village, below Meursault 1<sup>er</sup> Cru Les Charmes Dessous. Stricter acidity and definition here than in the Forgets, this is clearly from limestone soils. Stony minerality and a flash of lime rind. 25% new oak.

Corney & Barrow Score 16.5 – 17  
Recommended drinking from 2026 – 2030

£150/CASE OF 6 BOTTLES, IN BOND UK

## ● MEURSAULT CLOS DU CROMIN 2024

Clos du Cromin is a warm, clay-rich site in the centre of Meursault. As always, there is good natural ripeness here, making for a juicy, delectable style, offering white peach balanced by fresh, upright acidity. This suits the 2024 vintage, thanks to its inherent power and richness. Cromin is always the first to be picked due to its rich, warm soils. No new oak.

Corney & Barrow Score 17+  
Recommended drinking from 2027 – 2032

£295/CASE OF 6 BOTTLES, IN BOND UK

## ● MEURSAULT LES TILLETS 2024

Les Tillets is a large vineyard, high on the slope, southwest of the village. The domaine has almost two hectares, across several small parcels. Rocky limestone soils at the top of the slope make for a very mineral style. Fine white peach fruit and friable texture, with crushed rock minerality. A wine of energy and verve. 30% new oak.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2028 – 2032

£275/CASE OF 6 BOTTLES, IN BOND UK

● MEURSAULT LES CLOUSOTS  
2024

The name Clousots reflects the blend of Les Clous (0.60ha, with deep clay soils planted mid-slope, which brings richness) and Crotots (a smaller, limestone-rich site). The latter, south of the village, is just beneath 1<sup>er</sup> Cru Les Poruzots. The two parcels are always vinified separately and then blended. Seated white peach fruit, with flavours of pear skin and poised supporting acidity. Green apple skin on the finish, with sherbet zest.

Corney & Barrow Score 17  
Recommended drinking from 2028 – 2034

£320/CASE OF 6 BOTTLES, IN BOND UK

● MEURSAULT CUVÉE TÊTE DE MURGER  
2024

Tête de Murger is another blend of two sites, vinified separately: Les Murgers de Monthélie (complex, varied soils) and Les Casse-Têtes (literally “broken heads” [of the stones] – a rocky, limestone-rich site). Pliant and with good density, this is a wine of poise and volume, with pure stone fruit, lime rind and stony minerality. Long and tapering. According to Marion Javillier, this always tightens up with age.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2032

£420/CASE OF 6 BOTTLES, IN BOND UK

● SAVIGNY-LÈS-BEAUNE 1ER CRU  
LES SERPENTIÈRES  
2024

Located below Ruchottes, this faces full south. The domaine has 0.71 hectares, of which half was grubbed up in the 2024 vintage. This site was known as Les Serpentes as there are supposedly grass snakes here. Dark, peppery aromas, leading into a palate of vibrant acidity and crunchy raspberry fruit. The tannins are fine and chalky, with a deft fruit coating. 100% destemmed. This spends ten months in barrel, with 30% new oak. Only five barrels were made in 2024.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 – 2032

£220/CASE OF 6 BOTTLES, IN BOND UK

# DOMAINE PIERRE MOREY

Anne Morey, with support from her father Pierre, has taken the domaine into its second half-century in fine form. They have been joined from the 2020 vintage by the third generation, Anne’s son, Jean-Victor Morey.

Our relationship with Pierre Morey dates back to his 20-year tenure as *régisser* of Domaine Leflaive, from 1988 to 2008. The ‘Morey era’ includes some bucket-list Leflaive vintages. Pierre combined his position in Puligny-Montrachet with running the family estate in Meursault. Understandably, certain milestones were reached concurrently at both domaines, such as turning biodynamic in 1997.

Domaine Pierre Morey’s 10 hectares span the villages of Monthélie, Pommard, Puligny-Montrachet and Meursault, where the domaine is based. In addition, the family has access to some choice parcels, which are vinified identically at the domaine and bottled under the *négociant* label, Maison Morey-Blanc, established in 1992. Around half the production here is Chardonnay with the remainder being Aligoté and Pinot Noir.

Corney & Barrow is the exclusive UK, Singapore and Shanghai agent.

## BOURGOGNE ALIGOTÉ

2024 ★ 🌙 🍷

This old vine Aligoté is from a 1.86-hectare plot of vines in Meursault, planted in 1969 and owned by the domaine. Lime zest and green apple skin on the nose. The palate is stony-mineral and grapey, with fine, crunchy orchard fruit flavours making for an Aligoté of freshness and approachability.

Corney & Barrow Score 16.5  
Recommended drinking from 2027 - 2030

£100/CASE OF 6 BOTTLES, IN BOND UK

## BOURGOGNE CÔTE D’OR CHARDONNAY

2024 ★ 🌙 🍷

The domaine’s Bourgogne Blanc comes from 1.76 hectares in Meursault, on deep clay and chalk soils. The majority of these vines were planted in 1984. This wine is always a favourite, far surpassing its regional status whilst offering a window into the estate’s signature style. “Really the little brother of Meursault”, as Anne has put it.

Estimated drinking from 2027 – 2030

£175/CASE OF 6 BOTTLES, IN BOND UK

## MEURSAULT CLOS LE MEIX TAVAUX

2024 ★ 🌙 🍷

This is a 0.29-hectare parcel, planted in 1985. The domaine’s first vintage was 2019. Le Meix Tavaux is a gently sloping site (“almost no slope”) in the heart of the village, with rocky, well-drained soils which dry very quickly. It was blended in summer 2025 and racked back into barrel for the second winter. Fleshy white peach aromas and jasmine perfume. The palate is juicy and inviting, the ample stone fruit finding a nice counterpoint in taut acidity.

Corney & Barrow Score 17.5  
Recommended drinking from 2027 - 2034

£455/CASE OF 6 BOTTLES, IN BOND UK

## MEURSAULT LES TESSONS

2024 ★ 🌙 🍷

This stony, 0.89-hectare mid-slope plot was planted in 1978. It lies above the village of Meursault and below Auxey-Duresses. Positioned at the same altitude as the *premiers crus*, Tessons tends to produce wines of shape and *terroir*. A meagre 30cm of soil, with rock beneath brings out this wine’s mineral tension and longevity. Ripe white peach fruit with a touch of cedary spice and honeysuckle. The palate is stony-mineral, white fruited and with a steely high line of acidity. Traditionally built, this has all the elements for impressive development.

Corney & Barrow Score 17.5  
Recommended drinking from 2028 - 2033

£565/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● MEURSAULT 1ER CRU LES PERRIÈRES  
2024 ★ 🌙 🌿

This stony, sunny 0.52-hectare plot, located within the *lieu-dit* Perrières Dessous, lies close to the village’s southern border, on the Puligny boundary. There is a lot of active limestone here. Half of the holding was planted in 1976. It is a small *clos* (walled vineyard) that benefits from reflected heat from the warm, chalky soils. Perrières is an icon of the domaine, producing concentrated wines of substance. A third was replanted in 2012.

Estimated drinking from 2029 – 2036

£995/CASE OF 6 BOTTLES, IN BOND UK

● PULIGNY-MONTRACHET 1ER CRU  
CHAMP GAIN  
2024 ★ 🌙 🌿

Made since 2017, the domaine’s Champ Gain comes from just 0.17 hectares of this stony high-slope *premier cru*, planted with 40+ year-old vines. A toasty nose of ripe white peach, this feels comfortable in its own skin. The palate is nervy and tensile on the attack, opening onto a fleshier mid-palate of white stone fruit and waxy phenolic crunch.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2036

£995/CASE OF 6 BOTTLES, IN BOND UK

● BÂTARD-MONTRACHET GRAND CRU  
2024 ★ 🌙 🌿

The domaine has 0.49 hectares in Bâtard-Montrachet’s renowned Clos Poirier, beside Le Montrachet. The oldest vines date from 1965, whilst the majority were planted in 1992. The rich, well-drained clay soils are relatively shallow. This tends to be a complex, full-bodied wine which mirrors the richness of its *terroir*. Alongside this domaine bottling, a second Bâtard-Montrachet has been produced since 2011 from the neighbouring plot, under the Morey-Blanc label. Aromas of white flowers and a little grapefruit. The palate is stony and acid-driven on the attack, opening onto an elegant, golden mid-palate of peach and orchard fruit.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2030 – 2042

£2,650/CASE OF 6 BOTTLES, IN BOND UK

● MONTHÉLIE  
2024 ★ 🌙 🌿

The domaine’s Monthélie comes from six *lieux-dits* in the heart of the appellation, surrounding the village. The family owns 1.32 hectares of old vines here, planted on average in 1965 and certified organic. Dark berry and bitter cherry aromas, with a little cranberry brightness. Bright, fresh acids and steely tannins on the palate.

Corney & Barrow Score 16.5  
Recommended drinking from 2027 – 2031

£220/CASE OF 6 BOTTLES, IN BOND UK

● VOLNAY 1ER CRU LES PITURES  
2024 ★

Made since 2018, Pitures is a mid-slope vineyard which borders Pommard and Marquis d’Angerville’s Clos des Ducs. Domaine Lafarge also has a holding here. The earliest record of this *lieu-dit* is in the 13<sup>th</sup> century. The name probably derived from ‘pasture’. Minty aromas, with roses and a crushed rock mineral aspect. The palate is fluid and raspberry-fruited, with stony minerality exerting gentle texture on the finish. Lighter weight than usual but nicely balanced.

Corney & Barrow Score 17+  
Recommended drinking from 2029 – 2036

£425/CASE OF 6 BOTTLES, IN BOND UK

● POMMARD 1ER CRU  
GRANDS ÉPENOTS  
2024 ★ 🌙 🌿

The most delicate and refined of Pommards, which Anne Morey describes as “a beautiful vineyard”. The domaine has 0.43 hectares, at mid-slope, planted in 1965. The limestone is close to the surface, with red topsoil. Since 2012 there has been a petition for Grands Épenots to be upgraded to *grand cru* (Corton is currently the only red *grand cru* in the Côte de Beaune). Bright ruby colour. Minty fresh aromas, pretty raspberry fruit. The palate is bright and crunchy, in an attractive, mid-weight guise. Raspberry coulis and liquorice flavours are framed by chalky, ferrous tannins.

Corney & Barrow Score 16.5 – 17  
Recommended drinking from 2028 – 2037

£575/CASE OF 6 BOTTLES, IN BOND UK

# PULIGNY-MONTRACHET

Universally recognised, Puligny-Montrachet is often considered the pinnacle of white Burgundy. Situated at the southern tip of the Côte de Beaune, its wines offer a combination of steely precision and great depth of flavour.

It wasn't until 1879 that Puligny hyphenated the name of its most famous vineyard, Le Montrachet, which is split with its neighbour Chassagne.

Puligny-Montrachet boasts four *grands crus*: Chevalier-Montrachet and Bienvenues-Bâtard-Montrachet in their entirety, while Le Montrachet and Bâtard-Montrachet are shared with Chassagne. In addition, the appellation comprises around 13 *premiers crus*, further subdivided into numerous *climats*. Together with a range of village wines, Puligny-Montrachet covers a broad range of styles and prices.

Although famed for its white wines, there is also a small amount of Pinot Noir planted in the hamlet of Blagny — a *premier cru* for reds.

## DOMAINE LEFLAIVE

Domaine Leflaive traces its history back to 1717, but it is said that Joseph Leflaive (1870-1953) is the true founder of this illustrious estate. Moreover, recent history owes a tremendous debt to his granddaughter, Anne-Claude Leflaive, who was manager from 1990 until her untimely death in 2015. Brice de La Morandière (great-grandson of Joseph) has been the domaine's managing director ever since. Domaine Leflaive is a standard bearer for biodynamics.

Based in Puligny-Montrachet, the domaine is one of the absolute benchmarks of fine white Burgundy. It has, since Brice's arrival in 2015, moved up to another level. Technical Diam corks have been used since 2014, the cellars have been renovated and the handling of grapes and wines rethought. 2022 was the first vintage made in the domaine's pristine new *cuvierie*, which has further enhanced their ability to fine-tune every aspect of the process.

Corney & Barrow is the exclusive agent in the UK and Singapore. The 2024 vintage of Domaine Leflaive was [released in December 2025](#).

## ESPRIT LEFLAIVE

Esprit Leflaive sees the Leflaive family push beyond the borders of Puligny-Montrachet and the Mâconnais, into the Côte de Nuits and beyond. It also sees the first Leflaive reds.

This new project, although intrinsically linked to Domaine Leflaive, needed its own identity with a nod to its roots — wine made in the 'spirit of Leflaive'. Grapes are sourced from a core of trusted *vigneron* partners. Although Leflaive is no stranger to innovation, it's the highly personal nature of this project that sets Esprit Leflaive apart.

Another point of difference is that these wines are not released *en primeur*, but in bottle once they have had time to develop.

The [2021 vintage of Esprit Leflaive](#) is now available to purchase. The 2022 & 2023 vintages will be released in early summer 2026.

François Carillon is the 16<sup>th</sup> generation of a winemaking family which traces its Burgundian roots back to 1520. Since his first vintage in 2010, François has proven his domaine to be both a worthy successor to the much-loved wines of his father, Louis Carillon, as well as making some of the most exciting modern white Burgundies.

Following the retirement of Louis Carillon, the vineyards were divided between the two sons, François and his brother Jacques. Domaine François Carillon sits in the very centre of the village of Puligny-Montrachet. The wines hit the sweet spot between pristine fruit, precise acidity and textural richness, which we adore.

François’ sons Mathis and Paul have recently joined the domaine full time. The future is looking particularly rosy here.

The 2024s were harvested earlier than usual, in the first two weeks of September by a team of 50 pickers. The grapes were immediately pressed on reception, and the juice was left in tank to cool prior to fermentation. The majority of barrels used are 350-litre capacity. Always looking to expand his horizons, François has also produced a Beaujolais Blanc this year.

Corney & Barrow has been the domaine’s exclusive UK agent since the inaugural 2010 vintage and are proud to work with the wines in Hong Kong, Singapore and Shanghai.

● **LA BERGERIE CHARDONNAY**  
2024 ★

La Bergerie is the name of the principal parcel of this blend from Montagnac, near Nîmes. This is a selection from 20ha, made up of several parcels. Over the four years it has been made by François, it has become a firm favourite among C&B customers, offering a taste of the south with the domaine’s *élevage*. It is made at the domaine in Puligny-Montrachet, meaning it is a Vin de France rather than a Costières de Nîmes. Bright orchard fruit — apple and pear skin — with great purity. This is picked 7-10 days earlier than the Puligny vines. 13% abv. 15 months of *élevage*, with bottling around Christmas 2026. 15-20% new oak.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2029

£65/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE ALIGOTÉ**  
2024 ★

Made from the Aligoté Doré clone, this wine is a selection from 50-year-old vines in Puligny-Montrachet, from Les Petits Poiriers and Riaux. Green-gold in colour, with aromas of apple skin and white flowers. The palate is bright and crunchy, with green pear skin, lime rind and sherbet. This stays on its lees in 500-litre and 600-litre barrels for around a year, with under 10% of new oak.

Corney & Barrow Score 16.5  
Recommended drinking from 2026 – 2030

£95/CASE OF 6 BOTTLES, IN BOND UK

● **C&B LABEL BOURGOGNE CÔTE D’OR CHARDONNAY**  
2024 ★

The C&B-François Carillon ‘partnership label’ was the first of its kind and has paved the way for others. It is intended as our stamp of approval for a wine we believe is an outstanding example of its type. It is a Côte d’Or Chardonnay, meaning the fruit is entirely from the Côte rather than the wider Bourgogne region. Specifically, it comes from nearly six hectares of Puligny-Montrachet, over various plots, mostly owned by the domaine and all of which are worked by the Carillon team. It is a wine of fleshy white peach fruit, with a tactile bite and fresh acidity to the palate, and textured extract on the finish. 15% new oak.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2030

£145/CASE OF 6 BOTTLES, IN BOND UK

● **BOURGOGNE CÔTE D’OR CHARDONNAY LE VIEUX CLOS**  
2024 ★

This is a selection, in which specific plots and then barrels are isolated from the regular Bourgogne Chardonnay. It tends to be riper in profile. Supple and sherbety, with luscious white and yellow peach fruit. A wine for early enjoyment which, true to type, offers generosity and volume. 15% new oak. The yield here in 2024 was 25hl/ha — lower than usual.

Corney & Barrow Score 16.5 – 17  
Recommended drinking from 2026 – 2030

£170/CASE OF 6 BOTTLES, IN BOND UK

● MÂCON-IGÉ  
2024 ★

This newer entrant into the Carillon line-up comes from southeast-facing vines in the village of Mâcon-Igé, where Domaines Leflaive also makes a wine. The appellation covers over 57ha for Chardonnay and is one of the emerging quality villages of the Mâconnais. Aromas of sherbet, lime and waxy lemon, leading into a pliant, supple palate of white peach with ginger spice. A pretty and characterful wine that will be approachable early. Just five barrels were made.

Corney & Barrow Score 16.5  
Recommended drinking from 2026 – 2029

£120/CASE OF 6 BOTTLES, IN BOND UK

● SAINT-AUBIN 1ER CRU BLANC  
LES PITANGERETS  
2024 ★

Pitangerets is a *lieu-dit* in the south of the appellation, bordering Chassagne-Montrachet. The oldest vines here are 50 years old, with a younger part, planted in 2010, which replaced the previous Pinot Noir vines. Pure and immediate, with the fine friable texture of Saint-Aubin, there is a great sense of chalky *terroir* here. 10-15% new oak. The UK and Germany are the only markets with an allocation of this wine — lucky us.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 – 2031

£235/CASE OF 6 BOTTLES, IN BOND UK

● SAINT-AUBIN 1ER CRU  
MURGERS DES DENTS DE CHIEN  
2024 ★

These two plots overlook the *grands crus* of Puligny-Montrachet and are opposite Les Champs Gains. François says this is a richer style, perhaps closer to Chassagne than Puligny. The name refers to the vineyard’s stones being as sharp as dogs’ teeth. 2013 was François’ first vintage from this 0.67-hectare parcel. A flinty, mildly reductive nose when tasted in autumn 2025. The palate offers orange blossom and white peach fruit, with a recognisably similar fine mineral bedrock to François’ other Saint-Aubin, Les Pitangerets.

Corney & Barrow Score 18  
Recommended drinking from 2027 – 2032

£395/CASE OF 6 BOTTLES, IN BOND UK

● PULIGNY-MONTRACHET  
2024 ★

The domaine’s *village* Puligny-Montrachet is a classic, and a flagship of the estate. It is made from nearly five hectares of vines, spread over five *lieux-dits*: Derrière la Velle, Reuchaux, Corvée des Vignes, Tremblots and Les Rousselles. Aromas of white peach and crushed rocky minerality, leading into a crunchy palate of elegant, expressive stone fruit, with a driving line of taut acidity. Archetypally Puligny, with that long, focussed acid backbone that will meld beautifully over time. 10% new oak.

Corney & Barrow Score 17  
Recommended drinking from 2027 – 2032

£395/CASE OF 6 BOTTLES, IN BOND UK

● PULIGNY-MONTRACHET LES AUBUES  
2024 ★

Introduced to the range in 2023, Les Aubes comes from one 0.42-hectare parcel, planted in 1976, within Enseignières. There is even more ripeness here than in the previous wine: aromas of orange blossom and tangerine rind lead into a palate of crunchy white peach fruit, with a stony-mineral tension binding the flavours together. Zesty, taut and powerful — very good.

Corney & Barrow Score 17.5 – 18  
Recommended drinking from 2027 – 2032

£440/CASE OF 6 BOTTLES, IN BOND UK

FAQS

CONTACT

● **PULIGNY-MONTRACHET CLOS DU VIEUX CHÂTEAU MONOPOLE**  
2024 ★

Just behind the village of Puligny-Montrachet, this small *monopole* of 0.78 hectares is a warm, sheltered site with deep clay-limestone soils, within the *lieu-dit* Le Village. It has particularly mild night-time temperatures, perhaps contributing to a certain exuberance of style. Due to this high natural ripeness, it also tends to be the first parcel to be picked. Sherbet and lime zest on the nose. The palate is tactile and immediate, with energy and precision. Very precise, very 2024.

Corney & Barrow Score 17+  
Recommended drinking from 2026 – 2032

£425/CASE OF 6 BOTTLES, IN BOND UK

● **PULIGNY-MONTRACHET LES ENSEIGNIÈRES**  
2024 ★

Beneath Bienvenues-Bâtard-Montrachet, Enseignières is a *village* vineyard which can hold its own against the *premiers crus*. The domaine has 0.65 hectares here. A high proportion of small *millerand* berries from these nearly-60-year-old vines make for a natural concentration. Aromas of honeysuckle, pure yellow-hued fruit and crème brûlée — this is an extrovert in 2024. The palate offers nectarine and white peach, with fine chalky minerality beneath.

Corney & Barrow Score 18  
Recommended drinking from 2028 – 2035

£450/CASE OF 6 BOTTLES, IN BOND UK

● **PULIGNY-MONTRACHET 1ER CRU CHAMP-GAIN**  
2024 ★

The domaine's holding in Champ-Gain is a steeply sloping two hectares, over four parcels at nearly 400masl, planted with up to 60-year-old vines, high on the slope alongside Saint-Aubin's Murgers des Dents de Chien. The soils are reddish in colour, rich in limestone and dotted with small pebbles. Yellow peach and honey on the nose, with orange blossom. The palate has pithy grapefruit on the attack, opening onto a zesty mid-palate of seated power and tactile definition. Fabulous.

Corney & Barrow Score 18  
Recommended drinking from 2028 – 2035

£570/CASE OF 6 BOTTLES, IN BOND UK

● **PULIGNY-MONTRACHET 1ER CRU LES FOLATIÈRES**  
2024 ★

The domaine has 0.4 hectares of Folatières, the most flamboyant of the Puligny *premiers crus*, which François has called *l'enfant terrible du village*. 60-year-old vines on a steep slope producing small berries. This plot is beside Leflaive's holding. An intense nose of yellow peach, honeysuckle and white pepper. The palate is fleshy and pure, with a touch of cedar and a forceful punch of energy which will refine during *élevage*. 60% of the usual volume here this year. “Less fine, less delicate than the Combettes — robust, almost aggressive,” said François. I think this was a form of praise — I liked it anyway...

Corney & Barrow Score 18+  
Recommended drinking from 2027 – 2035

CONTACT

● PULIGNY-MONTRACHET 1ER CRU  
LES COMBETTES

2024 ★

The domaine's 0.8-hectare Combettes holding was planted in 1992. The brown sub-soils are deep and stony, and the grapes tend to ripen earlier. Brilliant golden colour. A fabulously pure nose of white peach and honeysuckle. The palate offers white and yellow stone fruits; it is pliant and energy-laden, cohesive and refined, and rather suave with it. A Puligny from central casting, which puts François' comments on Fولاتières into perspective. Aged in a variety of new Stockinger barrels and vats.

Corney & Barrow Score 18.5+  
Recommended drinking from 2030 – 2036

£795/CASE OF 6 BOTTLES, IN BOND UK

● PULIGNY-MONTRACHET 1ER CRU  
LES PERRIÈRES

2024 ★

François has 0.74 hectares of Perrières, spread over two plots, one of which was planted in 1973. Pure white and yellow peach fruit on the nose. The palate is the purest of all, the wet-stone mineral aspect giving a clear view of the *terroir* beneath. Hands-off and with a chalky tension. The fruit is beautifully pitched, but this is all about the wonderful, stark minerality. 15% new oak.

Corney & Barrow Score 18.5  
Recommended drinking from 2030 – 2040

£795/CASE OF 6 BOTTLES, IN BOND UK

● CHASSAGNE-MONTRACHET

2024 ★

The domaine's *village* Chassagne comes from Les Voillenots, on the Puligny-Montrachet side of the appellation. These are deep, dark soils. The 0.7 hectares here are split across an older vine parcel and a younger one. Aromas of apple and pear fruit, with a honeyed intensity to the nose. The palate revels in apricot and yellow peach, the fleshy fruit offset against precise balancing acidity.

Corney & Barrow Score 17  
Recommended drinking from 2027 – 2031

£385/CASE OF 6 BOTTLES, IN BOND UK

● CHASSAGNE-MONTRACHET 1ER CRU

2024 ★

This is a blend of two Chassagne-Montrachet *premiers crus* — Chenevottes and Clos Saint-Jean, which are sometimes bottled individually. The Chenevottes parcel is a tiny 0.2 hectares in size, beside Macherelles, whilst the mineral-rich Clos Saint-Jean is high on the slope, just beneath Chassagne's barren Grande Montagne. A flinty and peppery nose leads into a pure palate of white peach and creamy intensity, with crunchy lime zest on the finish. A wine of incisive precision and great energy.

Corney & Barrow Score 17.5  
Recommended drinking from 2028 – 2035

£475/CASE OF 6 BOTTLES, IN BOND UK

● CHASSAGNE-MONTRACHET 1ER CRU  
LES MACHERELLES

2024 ★

Macherelles is on the northern (Puligny-Montrachet) side of the village, from a similar *terroir* to Puligny's Perrières, according to François, with very little soil above the bedrock. This has additional density and depth — aromas of intense white peach and lime skin open onto a palate of crunchy stone fruit. A wine that reverberates with energy, with an impressive tactile bite to the finish, which accentuates the clipped chalky minerality of this site.

Corney & Barrow Score 18  
Recommended drinking from 2028 – 2035

£550/CASE OF 6 BOTTLES, IN BOND UK

# OLIVIER LEFLAIVE

Olivier Leflaive needs little introduction to Burgundy lovers. Since its beginnings in 1984, this discreet house has carved out an enviable reputation, garnering impressive critical acclaim and a loyal following all over the world.

The signature style is inviting, geared for pleasure yet with the emphasis on freshness, structural clarity and the precise imprint of origin. This achievement is all the more remarkable for Olivier Lelaive’s kaleidoscopic range of wines, one that spans so many of Burgundy’s sub-regions, villages and *lieux-dits*.

Olivier’s much-loved Technical Director Franck Grux retired at the end of 2023, after a long and distinguished career. His position has been filled by one of Burgundy’s rising winemaking talents, Solène Panigai. Chosen by Franck himself as his successor, Solène worked alongside him for 18 months before finally taking the reins from the 2023 vintage. The house has always produced quality red wines alongside their legendary whites.

However, recent years have seen a growing focus on the quality and style of the red wines, which are now vinified in their own dedicated chai. We are delighted to be featuring two reds in this offer.

## ● MEURSAULT CLOS DE LA VELLE 2024

A *monopole* vineyard with 45-year-old vines, Clos de la Velle gives a classic Meursault with curves in all the right places, though never in excess. 2024 produced a crop of small, neat berries, yielding a Meursault of surprising focus. The profile is all there — ripe baked apples and poached pears spiked with nutmeg, the creamy midpalate and whisper of brown butter. Yet there is also a sense of freshness and sapidity, giving elegance. Structured and complete, with a lovely mineral taper and sense of chalk — a grown-up Meursault. A small number of magnums are also available this year, bottled specially for us.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2026 - 2030

£375/CASE OF 6 BOTTLES, IN BOND UK  
£790/CASE OF 6 MAGNUMS, IN BOND UK

## ● MONTAGNY 1ER CRU BONNEVEAUX 2024

A perennial favourite among C&B staff, Bonneveaux never fails to delight, delivering dynamic, uplifting wines from its sunny, south-facing slope, a superb site every inch the *premier cru*. Spared the deluges, subsequent coulure and mildew pressures of the Côte d’Or in 2024, Montagny’s top vineyards produced fruit of beautiful quality and in decent volumes too. Expressive and enticing, Bonneveaux 2024 crackles with energy, its creamy orchard fruit bright with lemon peel and a hint of pleasing reduction. A pure, racy Montagny, already showing its class.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 - 2029

£175/CASE OF 6 BOTTLES, IN BOND UK  
£400/CASE OF 6 MAGNUMS, IN BOND UK

## ● AUXEY-DURESSES LA MACABRÉE 2024

This part of Auxey-Duresse is a continuation of Meursault, and its wines have a similar classic structure, generosity of fruit and mineral line. La Macabrée parcel lies on a steep, southeast-facing slope at 300-350m, close to Meursault’s prized Les Meix Chavaux and Vireuils. Fortunately, in this cooler, wetter year, the altitude and aspect helped preserve the integrity of the fruit, the calcareous marls draining excess moisture. The result is a super wine that exemplifies the parcel’s lifted, mineral take on Auxey — precise and upright, with just enough weight. There is a lovely latent fleshiness to the fruit, while notes of fresh white nuts, citrus oil and savoury miso add dimension, underscored by the sensation of fresh chalk.

Corney & Barrow Score 17.5+  
Recommended drinking from 2026 - 2030

£210/CASE OF 6 BOTTLES, IN BOND UK

## ● PULIGNY-MONTRACHET LES MEIX 2024

A longstanding favourite of the C&B team, and we buy every single bottle made! From a gentle slope just below the *premier cru* of Pucelles, Les Meix captures the distinctive precision of Puligny without ostentation. This is particularly true of 2024: the wine is ripe yet taut and crystalline, with its signature white blossom scent, gentle curve of orchard fruit and fine white line of acid, the oak dialled in just enough to support. Solène noted the pristine nature of the fruit from this parcel — and the wine reflects that calm. Unforced, long-line, true to its origins, this is an exquisite Les Meix.

Corney & Barrow Score 17.5 - 18  
Recommended drinking from 2026 - 2031+

● **SANTENAY**  
2024

Supple and juicy, Olivier Leflaive's Santenay combines two contrasting parcels, the first (Derrière les Crais) on cool, chalk-rich soils, the second (Les Prarons-Dessus) on deeper clays. The blend in 2024 has yielded a delicate, precise Santenay with poise and charm, its bright cherry fruit and hint of liquorice supported by soft, earthy tannins and a sapid, mineral finish. Delicious and supremely drinkable.

Corney & Barrow Score 17+  
Recommended drinking from 2026 - 2031+

£175/CASE OF 6 BOTTLES, IN BOND UK

● **PERNAND-VERGELESSES 1ER CRU  
LES FICHOTS**  
2024

Below Corton, this east-facing *climat* with excellent sun exposure is highly sought-after for its refined Pernands, highly reflective of the style and density of the vintage. Olivier Leflaive's fruit comes from a parcel of 50-year-old vines, which this year yielded a minuscule crop of concentrated grapes. Given the vintage conditions, Solène and the team took a particularly gentle approach to the fruit, honouring its transparency. The resulting wine is harmonious and lifted, with delicate aromatics of raspberries, tea leaf and crushed rose, the palate supple and ripe, yet without excess or overt oak. The fruit is supported by a fine, chalky line of tannins. Emblematic of the vintage, a Pernand of precision and grace.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 - 2032+

## SAINT-AUBIN

Nestled in the hills above Puligny-Montrachet and Chassagne-Montrachet, the core of Saint-Aubin is dominated by *premiers crus* sites. With various steep slopes and altitudes of over 300 metres above sea level, the *terroir* here is suitable for both red and white production.

The soils are clay-heavy, with white grapes preferring those with higher limestone content and the red grapes thriving on heavier brown clay.

Although often overlooked for its more famous neighbours, Saint-Aubin is a gem which, at its best, can rival them.

## DOMAINE HUBERT LAMY

You could say that Domaine Hubert Lamy put Saint-Aubin on the map. We were delighted to add these brilliant wines to our roster during the small 2016 vintage. The domaine has 18.5 hectares of vines, 80% Chardonnay and 20% Pinot Noir. Beyond Saint-Aubin, it has holdings in Puligny-Montrachet, Chassagne-Montrachet and Santenay.

The Lamy family has been making wine in Saint-Aubin since 1640, however, it was not until 1973 that Hubert Lamy established the domaine. At that time, the estate consisted of around eight hectares of vines, with several new plots being added during the 1990s.

Olivier Lamy, son of Hubert, joined the domaine in 1995 and over the past three decades has taken the wines to new heights.

The wines are released once bottled meaning the 2023 vintage will be released **later in 2026**.

## SANTENAY

Lying at the southern end of the Côte de Beaune, Santenay has an impressive history dating back to pre-Roman times. The village was prized for its thermal waters, rich in mineral salts. Also of historical significance is the Sorine windmill, which sits in the *premier cru* Beauregard vineyard.

Plantings here consist of around 90% red grapes and just 10% white. Greyish limestone occupies the higher vineyards, sitting at 500 metres, while the lower vineyards consist of marl and oolitic limestones.

# DOMAINE JUSTIN GIRARDIN

Domaine Justin Girardin is a 17-hectare family domaine in Santenay. 13 of those 17 hectares are in Santenay itself, with the remainder further north, including in Pommard. We have worked with Justin since his first solo vintage in 2015.

Of the three *premiers crus* Santenays, Clos Rousseau has the greatest ageing potential and substance, whilst Beauregard is approachable in youth and Maladière, a C&B UK exclusivity, brings together aspects of both. Reds are 100% destemmed, accentuating the domaine's silky and pure-fruited style.

Winemaking includes around a week of pre-fermentation cold soak to extract aroma, with three pump-overs at the beginning of vinification and four days of post-fermentation maceration at 27°C. After this, the wines have a year's lees contact in barrel, with no racking until bottling.

Due to mildew and oidium pressure, yields were down in 2024; the domaine suffered a 30% loss on the reds and a 10-15% reduction on the whites.

## SANTENAY

### ● SANTENAY 1ER CRU BEAUREGARD 2024

This is a 0.92ha holding in Beauregard, the vineyard with the distinctive windmill, which is the highest of the domaine's Santenay holdings, around 50 metres above the others. The vines are 30-70 years old. These are poor soils, yet the wines tend to be the most approachable in youth. Aromas of violets and bitter cherries, leading into a pure palate of crunchy raspberry and blackberry, sustained by taut acidity. The tannins are fine, exerting a gentle grip on the finish when tasted in July 2025. 12-15% new oak. This will be bottled in late winter/early spring.

Corney & Barrow Score 17+  
Recommended drinking from 2027 – 2035

£165/CASE OF 6 BOTTLES, IN BOND UK

### ● SANTENAY 1ER CRU MALADIÈRE 2024 ★

The name Maladière comes from the nearby Maladière of Chagny hospital. This is a sunny, warm, southeast-facing vineyard, with deeper soils, in the centre of the appellation. Justin has 0.7 hectares here. The vines average 60 years old. Dark cherry and berry fruit, with orange rind and a citric twist to the palate that, along with the bright acidity, makes for an upbeat style. This will be approachable young but has enough matter to age gracefully for 5-10 years. 12% new oak, with a higher proportion of one-year-old barrels this year (around a third of the total). This will be bottled in late winter/early spring. Lovely wine.

Corney & Barrow Score 17.5  
Recommended drinking from 2028 – 2035

£155/CASE OF 6 BOTTLES, IN BOND UK

### ● SANTENAY 1ER CRU CLOS ROUSSEAU 2024

Clos Rousseau has deep, heavy clay soils. Justin's vines here have correspondingly deep root networks, allowing them to retain more water and conferring an age-worthiness on the resulting wines. The domaine has almost one hectare here, over four parcels, the youngest of which was planted in 2015, the others being 45, 60 and 65 years old. Dark cherries and raspberries, with clementine rind and a zesty, lemony lift. Again, the acidity is especially bright here, making for a lively, focussed style, framed by fine tannins. Less new oak this year: 12-15%, with more one-year-old barrels than usual.

Corney & Barrow Score 17.5  
Recommended drinking from 2029 – 2035

£155/CASE OF 6 BOTTLES, IN BOND UK

### ● POMMARD LES VIGNOTS 2024

Justin has 0.35ha in what is considered to be one of the best *village*-level vineyards in Pommard, spread over two plots. This is the highest elevation site of the estate. The average vine age is 35-40 years. Aromas of cassis, bitter chocolate and fine cedar, leading into a palate of fleshy, pliant dark berry fruit. This is luminous and light on its feet — lots of flavour packed into a delicate chassis, very impressive. 20% new oak: five barrels were made, one of which was new.

Corney & Barrow Score 17.5+  
Recommended drinking from 2028 – 2036

## CÔTE CHALONNAISE

Sitting directly south of the Côte de Beaune and above the Mâconnais, the Côte Chalonnaise produces both reds and whites.

Its undulating landscape offers a mixture of limestone, gravels and clay soils similar to that of the Côte de Beaune. The landscape here is less rugged than the Côte d'Or, and vineyards are broken up by other forms of agricultural farming.

There are five village appellations: Mercurey and Givry produce mostly red wine with small quantities of white, Montagny is solely white, Rully offers both red and white along with some sparkling wine and Bouzeron, uniquely, has its own appellation for white, exclusively made from Aligoté.

# DOMAINE DE VILLAINE

Domaine de Villaine is co-owned by Pamela and Aubert de Villaine and their nephew, Pierre de Benoist, who has managed the domaine for over 20 years.

The domaine has two bases: the original estate buildings in Bouzeron, which were bought by Pamela and Aubert de Villaine in 1971 and, as of 2017, a property in Rully. The latter had been known since the 19<sup>th</sup> century as Domaine Saint-Michel. Pierre de Benoist had in fact made the wines here in the 2004 and 2005 vintages.

The domaine's six single-vineyard Rully *premiers crus* Chardonnays are offered a year behind the other wines. These wines are therefore from the **2023 vintage**.

The Bouzeron holdings include some 150-year-old Aligoté vines. The domaine also has parcels in neighbouring Mercurey. Domaine de Villaine's total holdings extend to 29.33 hectares. The estate has been managed organically since 1986 and certified organic since 1997. The wines are vinified in barrel and large oak *foudres*, with barely any new oak. These wines, along with the Rully Les Saint-Jacques, are from the 2024 vintage.

Corney & Barrow is the exclusive UK agent.

## BOUZERON, MERCUREY, RULLY

### ● BOUZERON BOURGOGNE ALIGOTÉ 2024 🌙🌿

Bouzeron is the sole Aligoté-only appellation and a heartland for this grape. Domaine de Villaine has been key in putting the place and the variety on the map. The domaine's 17 parcels of Aligoté Doré vines cover nine hectares of the domaine's total 30. Green apple skin aromas with lime zest and blanched almond. The palate opens fresh and precise, finding a citric poise and tension on the mid-palate. The natural acidity of Aligoté cleanses the finish, which is salty and tapered. Bottled just before harvest, in August 2025. This will spend 10-12 months in old oak *foudres*, the volume of each tailored to the individual plots. 48,000 bottles in 2024, versus 60-70,000 bottles usually.

Corney & Barrow Score 17+  
Recommended drinking from 2026 – 2029

£145/CASE OF 6 BOTTLES, IN BOND UK

### ● RULLY LES SAINT-JACQUES 2024 ★ 🌙🌿

This 1.7-hectare plot in the north of the appellation faces southeast, on deep, rich soils. This tends to be the most flamboyant of the domaine's Rullys. Floral, exuberant aromas — jasmine and white peach blossom. The palate is juicy and delectable, vibrant and with a salty line of minerality from the mid-palate onwards, sustained by brisk acidity. The yields here are very low — Pierre retains four bunches per vine, with thick-skinned berries. 15 barrels in 2024, mostly old oak. Bottled at the end of October 2025.

Corney & Barrow Score 17 – 17.5  
Recommended drinking from 2026 – 2029

£145/CASE OF 6 BOTTLES, IN BOND UK

### ● RULLY 1ER CRU LES MARGOTÉS 2023 ★ 🌙🌿

Margotés is the domaine's southernmost Rully vineyard with a core of 80-year-old vines, surrounded by plantings from the 1960s. This is a cold, windy site. Pierre has a little less than a hectare here, in three plots. It is a wine of pretty white perfume, with a bright, tactile palate of white peach, pepper and fine, chalky minerality. Bottled in January 2025. 80-90% is vinified in a large *foudre*, with the remainder in barrels, the latter including a small proportion of around 5% new oak.

Corney & Barrow Score 18  
Recommended drinking from 2026 – 2032

£285/CASE OF 6 BOTTLES, IN BOND UK

### ● RULLY 1ER CRU GRÉSIGNY 2023 ★ 🌙🌿

A 0.55-hectare plot of venerable 80-year-old vines on rocky clay and limestone, bought unseen by Pierre in 2011, such is its reputation as one of the finest vineyards in Rully. Pierre says that he has learnt a lot from the vines of Grésgigny, and their small, *millerand* berries. Reticent aromas of hay, white pepper and lemon rind. The palate is sprightly, with zesty lime and bright acids. It will be aged in a mixture of barrels and larger *demi-muids*. 5% new oak.

Corney & Barrow Score 18  
Recommended drinking from 2026 – 2032

£285/CASE OF 6 BOTTLES, IN BOND UK

● RULLY 1ER CRU MONTPALAIS

2023 ★ 🌱 🍷

The domaine’s Montpalais, made since 2016, is not quite 0.4 hectares and is planted with 10–15-year-old vines. There is 12% Chardonnay Muscaté here, a clone with a floral, exotic edge, bringing a little aromatic flair. Montpalais is “the exact opposite of Grésigny”, according to Pierre, who says that this is where the warmer northern part of Rully meets the cooler south. Brighter and more aromatic on the nose, with cedary spice. The palate is supple and inviting, a fresh line of acidity bringing a certain rigour to the flamboyant fruit. 5% new oak.

Corney & Barrow Score 17  
Recommended drinking from 2026 – 2032

£285/CASE OF 6 BOTTLES, IN BOND UK

● RULLY 1ER CRU LES CLOUX

2023 ★ 🌱 🍷

Made by Domaine de Villaine since 2018, Les Cloux comes from 1.11 hectares in two steep east-facing plots with deep, stony clay-limestone soils. Pierre confesses this is a favourite, with similarities to Chassagne-Montrachet. Poised and minerally, it is a wine of balance and building mineral power. “Bitterness and clipped precision”, I jotted down. Pierre added, “If there is a *grand cru* in the Côte Chalonnais in 50 years’ time, it will be Les Cloux.” 8% new oak. Aged in a combination of barrels and *demi-muids*.

Corney & Barrow Score 18+  
Recommended drinking from 2026 – 2035

£285/CASE OF 6 BOTTLES, IN BOND UK

● RULLY 1ER CRU RACLOT

2023 ★ 🌱 🍷

As for its two peers in the northern part of Rully, Raclot has been made by Domaine de Villaine since 2018, following the purchase of Domaine Saint-Michel. This is a 0.42-hectare plot, the average vine age of which is 15–20 years old. Pierre describes it as a “romantic wine”. Vinified in one new *demi-muid* and old barrels. Supple and pliant, this has bright zesty lime fruit and joyful lemon peel. A youthful wine pitched in the treble clef with vibrant energy. 5% new oak.

Corney & Barrow Score 17+  
Recommended drinking from 2026 – 2032

£285/CASE OF 6 BOTTLES, IN BOND UK

● RULLY 1ER CRU RABOURCÉ

2023 ★ 🌱 🍷

As for Cloux and Raclot, Rabourcé at the domaine dates from 2018. This is the northernmost holding, extending to 2.36 hectares, over three plots, of which 1.61ha are in production currently. It is the warmest of the domaine’s Rully vineyards, with white clay soils and much sunshine. The vines are around 40 years old. A marked sense of zesty bitterness here, with luminous, resonant stone fruit and a tactile, energetic finish. 60% was vinified in a large old oak *foudre* with the remainder in barrels and *demi-muids*. 5% new oak.

Corney & Barrow Score 18  
Recommended drinking from 2026 – 2032

£285/CASE OF 6 BOTTLES, IN BOND UK

● MERCUREY LES MONTOTS

2024 ★ 🌱 🍷

This plot was planted just after the Second World War. The first vintage of the domaine’s Montots was 1991. You can feel the south-facing, warm aspect here — what Pierre refers to as “Mediterranean”. Aromas of blackberry, tea leaves, dried herbs and liquorice. The palate is inky dark and pure, a wine of density which Pierre describes as “a real Mercurey”. 2025 will be the last vintage of this much-loved wine, so get it while you still can! 60% whole-bunch fermentation.

Corney & Barrow Score 17+  
Recommended drinking from 2027 – 2032

£185/CASE OF 6 BOTTLES, IN BOND UK

Please note that the *premiers crus* are from the 2023 vintage.

## MÂCONNAIS

Lying between Beaujolais to the south and the Côte Chalonnaise to the north, the Mâconnais benefits from more sun, less rain and less frost risk. The terrain alternates between hilly panoramas and tremendous cliffs, interspersed with farmland.

Sitting on the River Saône, it's an important Burgundian district offering dynamic wines. The production is swayed towards white wine, with 80% of the region being planted with Chardonnay, whilst the reds are largely dominated by Gamay.

The quality hierarchy begins with Mâcon, goes up to Mâcon-Villages and the top status is reserved for wines that hail from 26 specified communes, which can hyphenate their village name after Mâcon. The latter two levels are reserved for white wine only.

## DOMAINES LEFLAIVE

Domaines Leflaive (with an ‘s’) is Domaine Leflaive’s operation in the Mâconnais. The estate’s first vintage here, of Mâcon-Verzé, was in 2004.

The original holdings totalled 9.3 hectares, consisting of five plots: Les Chênes, En Perret, Le Monté, Escolles and Les Muses. Les Chênes and Le Monté are now produced as single vineyard *cuvées*, alongside a new wine from Mâcon-Ig  , the village to the immediate north, and a Mâcon-Solutr  .

Corney & Barrow is the exclusive agent in the UK and Singapore.

### ● MÂCON-VERZ  

2024 ★      

From this original 14.65-hectare plot was spawned the single vineyard wines detailed below. You might reasonably think that this would leave the straight Macon-Verz   as something of a stripped carcass, but in many ways, it is the most complete wine here with a lush but restrained golden fruit perfume, clean, zesty, joyous. The palate is silken-fresh with a nice, almost chewy weight, but lovely tension and sweet length. A triumph in 2024.

Corney & Barrow Score 17.5++  
Recommended drinking from 2026 - 2028

  200/CASE OF 6 BOTTLES, IN BOND UK  
  220/CASE OF 3 MAGNUMS, IN BOND UK

### ● MÂCON-VERZ   LA JOBELINE

2024 ★

M  con-Verz   La Jobeline is a new entrant into the range for the 2024 vintage. Extending to 2.35 hectares, its vines were planted in 2006, 2010, 2013 and 2019. Aromas of jasmine and honeysuckle, nicely poised between white and yellow, with crystallised ginger and a lick of flinty reduction. The palate is fleshy and vibrant, making for an approachable, seductive expression of M  con-Verz  , balanced by fresh acidity. Very well judged, a welcome addition to the lineup.

Corney & Barrow Score 17.5+  
Recommended drinking from 2026 - 2028

  240/CASE OF 6 BOTTLES, IN BOND UK

### ● M  CON-VERZ   LES CH  NES

2024 ★      

North/northwest of Le Mont   and on heavier clay-limestone, this wears the slight additional weight that the soil imparts quite beautifully. In fact, the nose is lean and racy; rich but mineral – the giveaway is in the palate that is, by contrast, sweeter, fatter, more succulent but dances well enough at the finish.

Corney & Barrow Score 17.5  
Recommended drinking from 2026 - 2028

  240/CASE OF 6 BOTTLES, IN BOND UK

# BEAUJOLAIS

In the southernmost part of Burgundy, Beaujolais is home to the Gamay grape. Although traditionally associated with light and fruity reds as popularised by Beaujolais Nouveau, the area has seen an increasing move toward site specificity and ageing potential.

The region covers a vast area of land, encompassing 13,500 hectares of vines. Within this are 12 appellations producing a range of styles from simple and fruity reds, to nuanced and complex styles with great ageing potential. Beaujolais comprises 300 different soil types with multiple heights and exposures. The south typically enjoys clay and chalk soils on a series of rolling hills, whilst the north boasts sand and granite.

There are 10 delineated areas known as *crus*, identified for the specific high-quality *terroirs*. The most renowned of these include Fleurie, Moulin-à-Vent and Morgon.

# MOULIN-À-VENT

Perhaps the most famous of the Beaujolais crus, Moulin-à-Vent is named after a local windmill which overlooks neighbouring vines.

With heavier, clay-based soils and tremendous Burgundian influence, these wines boast more concentration and structure with greater ageing potential — often appearing uncannily like Pinot Noir rather than Gamay.

Domaine Labruyère is the oldest estate in Moulin-à-Vent, Beaujolais. Dating back to 1850, the original 10 hectares have been added to over the years. The most significant acquisition was of Le Clos du Moulin-à-Vent, the appellation's only *monopole*, situated beside the iconic windmill.

Since 2008, the property has been run by Édouard Labruyère, the seventh generation. Édouard grew up at the domaine and now works alongside winemaker Nadine Gublin and cellar master Michel Rovere.

In years of full production (unlike 2024), four wines make up the core of the range: Coeur de Terroirs, Champ de Cour, Le Carquelin and Le Clos du Moulin-à-Vent.

Corney & Barrow is the exclusive agent in the UK, Hong Kong and Singapore.

● **MOULIN-À-VENT COEUR DE TERROIRS**  
2024 ★ 🌿

Coeur de Terroirs offers an overview of the appellation and its granite soils. Due to this year's tiny volumes, in addition to the usual four parcels in Moulin-à-Vent, it includes the fruit from Carquelin and Champ de Cour, both of which are usually bottled separately. A supercharged Coeur de Terroirs, therefore. Brightly Gamay-fruited raspberry and strawberry aromas. The palate is buoyant and fruity, bright and expansive, with sappy spices. A joyful wine. 12.7% abv, with no chaptalisation. It will be bottled in March 2026 — a little earlier than usual — Nadine choosing to bottle it “on the fruit”. All destemmed, with maturation in old 600-litre *demi-muids*.

Corney & Barrow Score 17  
Recommended drinking from 2026 - 2031

£100/CASE OF 6 BOTTLES, IN BOND UK

● **LE CLOS DU MOULIN-À-VENT MONOPOLE**  
2024 ★ 🌿

The domaine's top wine, Le Clos, which sits beside the iconic windmill, is the only *monopole* in Moulin-à-Vent. It is a 0.92-hectare south-facing walled vineyard, planted with over-70-year-old untrellised vines. Arid soils of sand and rock sit above hard granite. This was tighter aromatically when tasted in November 2025, with a clenched, tautly wound palate of sweet dark berry fruit, framed by ferrous tannins and with spicy flair on the end of the palate. The finish is salty and fine. A visceral wine which showcases its *terroir* beautifully. 100% destemmed, with ageing in 228-litre oak barrels. The yield was just 6hl/ha — as Édouard Labruyère said, “it’s Sauternes”.

Corney & Barrow Score 17.5+  
Recommended drinking from 2027 - 2040

£265/CASE OF 6 BOTTLES, IN BOND UK

## WHAT IS EN PRIMEUR?

A traditional pre-ordering system of fine wines that originated in Bordeaux, *en primeur* translates as ‘the first’, referring to wines being available to purchase at first release prices. These wines are typically still in barrel at the point of purchase and not bottled and shipped to the UK until a year or more later. The first release price excludes duty and VAT, which are payable at the prevailing rates upon release from our bonded warehouse.

## WHAT IS A BONDED WAREHOUSE?

A government-approved secure facility where wines are received in the UK and stored without immediate payment of customs duties or VAT. The wine arrives at a specific customs-controlled area of the warehouse under strict security and inventory controls. Wines stored here are considered in transit until the duties are settled. Corney & Barrow has its own bonded warehousing where all wines bought *en primeur* are stored upon arrival in the UK. Only when the wines are released from the bonded warehouse (for example, delivered to a customer’s residence) is the duty and VAT payable.

## WHEN SHOULD I EXPECT SHIPMENT?

Shipment of the wines in this offer to our bonded warehouse will take place between February 2026 and January 2027. For specific producer shipment dates, please enquire.

## WHAT DO THE PRICES INCLUDE?

All prices in our Burgundy offer are quoted in bond by the case. This means the prices include shipping and insurance costs, but they exclude duty and VAT. Wines are only available for purchase by the case unless stated otherwise.

## WHAT IS THE AVAILABILITY OF THE WINES OFFERED?

Quantities available vary depending on the wine, this is especially relevant given the 2024 crop was small in particular areas/ for certain producers. Stocks of certain wines will be allocated subject to demand. For further information on specific wines, please contact your C&B sales rep, or contact us at [sales@corneyandbarrow.com](mailto:sales@corneyandbarrow.com).

## WHAT ARE THE DELIVERY & STORAGE TERMS?

Once the domaine has bottled their wines, they will be shipped to our bonded warehouse in the UK. Upon receipt of the wines at our warehouse, you will be notified via email, and the wines will be listed on your reserves statement. You can elect to either keep the wines in our warehouse for a storage fee, have them moved to another storage facility, or delivered to your home. If you choose to remove the wines from our bonded warehouse, you will be required to pay duty and VAT at the prevailing rates. Delivery can be arranged via your C&B sales rep.

Certain offers are sold subject to specified storage terms. These terms are typically in relation to the rarest, allocated wines and are outlined in the individual offer at the time of release.

## HOW DO I ORDER?

Please contact your C&B sales rep with a list of wines you would like to order, and they can confirm availability and offer further advice. If you don’t already have a C&B sales rep, or you’re unsure of who handles your account, please contact [sales@corneyandbarrow.com](mailto:sales@corneyandbarrow.com). Certain wines will also be available to purchase via our website with an online account. The full list of available online wines can be found [here](#).

## HOW DO I AMEND AN ORDER?

Please contact your C&B sales rep as soon as possible so we are able to either enquire about additional quantities on your behalf, or re-allocate wines from your original order. If you’re unsure about who handles your account, please contact us at [sales@corneyandbarrow.com](mailto:sales@corneyandbarrow.com).
